Jane Friedman

Goodreads Choice Concert Tickets Prices:

The Business of Being a Writer, Second Edition Jane Friedman, 2025-04-18 A thoroughly revised edition of the comprehensive guide to building and maintaining a successful career in writing. Writers talk about their work in many ways as an art as a calling as a lifestyle. Too often missing from these conversations is the fact that writing is also a business and those who want to make a living from their writing must understand the basic business principles underlying the industry. The Business of Being a Writer offers the business education writers need but so rarely receive. Jane Friedman is one of today's leading experts on the publishing industry. Through her website, social media presence, online courses, email newsletters, and other media, she helps writers understand how to navigate the industry with confidence and intentionality. This book advises writers on how to build a platform in a way that aligns with their values, how to spot critical mindset issues that might sabotage their efforts before they even begin, how to publish strategically, and what it means to diversify income streams beyond book sales. For this second edition, Friedman has updated every topic to reflect how the industry has evolved over the past half decade. New features include a section on business and legal issues commonly faced by writers, exercises at the end of each chapter, and a wealth of sample materials posted on a companion website. Reaching beyond the mechanical aspects of publishing, The Business of Being a Writer will help both new and experienced writers approach their careers with the same creative spirit as their writing. Friedman is encouraging without sugarcoating reality, blending years of research with practical advice that will help writers market themselves and maximize their writing-related income. Her book will leave them empowered, confident, and ready to turn their craft into a sustainable career.

Secrets of a Ticket Broker Eric Fuller, 2017-08-27 Learn the secrets to getting tickets to your favorite band, team, or show when they first go on sale. Are you frustrated because the shows you want are always sold out? Secrets of a Ticket Broker will teach you all the ways professionals get the best tickets. You will learn about pre-sales codes and how to figure out which price tickets have the best value. You'll understand the game. This book includes a coupon worth up to 20% on YoSeats.com, one of the fastest growing resale markets in the country. The coupon alone is worth more than twice the price of the book. So you will learn how to buy tickets like a professional and when you need to get something from YoSeats, you could get back more than what you paid for this book by using the coupon included with your purchase. One thing you will learn from the book is that sometimes tickets on the resale market cost less than face value. You can save a lot of money over time buying tickets that are being dumped by ticket brokers.
