B. Steane, 1996 In his previous books about singers John Steane has taken for his subject the art of singing as heard on records The Grand Tradition and in the flesh in opera houses and concert halls Voices Singers and Critics Here in Singers of the Century he turns to the singers themselves seeing how their art develops with the opportunities of their professional lives with chance and design playing their part and all likely to be at the mercy of some quirk of taste or character Each study is a carefully worked vignette and the book is illustrated throughout with photographs and memorabilia many never before published Singers of the Century will appeal to all those with a love of singing and of music writing at its best

Rachmaninoff's Complete Songs Richard D. Sylvester, 2024-06-06 Sergei Rachmaninoff the last great Russian romantic and arguably the finest pianist of the late 19th and early 20th centuries wrote 83 songs which are performed and beloved throughout the world Like German Lieder and French m lodies the songs were composed for one singer accompanied by a piano In this complete collection Richard D Sylvester provides English translations of the songs along with accurate transliterations of the original texts and detailed commentary Since Rachmaninoff viewed these romances primarily as performances and painstakingly annotated the scores this volume will be especially valuable for students scholars and
