Singing in Elementary Schools A. Watkins,2015-07-12 Excerpt from Singing in Elementary Schools A Course of Lectures Delivered to the Teachers Under the Leicester School Board These lectures were delivered to teachers who had already gone through a course of lessons on the Tonic Sol fa Method and who required guidance in applying the knowledge they possessed in the practical work of the class room They are published in the hope that their usefulness may be extended to other teachers to whom such lectures are not easily accessible The lectures were intended not to supersede but to accompany such books as Mr Curwen s Standard Course Mr J S Cunven s Companion for Teachers any imperfections that remain are intentionally left to preserve the state of such historical works *Singing in Elementary Schools* A. Watkins,2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
