ON THE MARGINS?

# Single Women On The Margins

**Katherine Bliss Eaton**

## **Single Women On The Margins:**

*Single Women* Tuula Gordon,1994-03 The single woman is mistakenly seen to be a product of the twentieth century Drawing on figures as diverse as Joan of Arc Elizabeth I and the Amazons Gordon brings to light a powerful tradition of single womanhood and calls the marginality of single women into question *Thinking Differently* Gabrielle Griffin,Rosi Braidotti,2002-10 This book is the first to ask whether there is a specifically European dimension to certain major issues in Women s Studies It strives to create a synergetic debate among different disciplines and cultural traditions in Europe and in doing so fills some gaps in our knowledge about women and enriches debates hitherto dominated by Anglo American influences Among the new areas of enquiry opened up in this book by the specificities of European Women s Studies are The fact that Europe has repeatedly experienced warfare on its own territory which has impacted significantly on women Hence the focus in this volume on women and militarism and on ethnic cleansing as an attack on the family The abidingly problematic relationship between feminism and anti semitism and issues of migration and whiteness in a context where racism reflects the colonial histories of particular European countries The importance of passion and the emotions as well as psychoanalytical theory for politics particularly in Southern and Eastern European countries Current problems facing Europe including the decline of the welfare state the phenomenon of the single woman and the relationship between women s rights and human rights The diverse faces of feminist movements in particular European countries Reading feminism from a European perspective will enable readers to reflect upon the ways in which changes in political social and cultural positions and practices over the past century in Europe have impacted on feminist thinking and theorizing The volume raises important issues about the transfer of feminist concepts across cultures and languages And to English speaking audiences the volume also offers fresh viewpoints on some of the key debates in Women s Studies *The Place of the Social Margins, 1350-1750* Andrew Spicer,Jane L. Stevens Crawshaw,2016-08-12 This interdisciplinary volume illuminates the shadowy history of the disadvantaged sick and those who did not conform to the accepted norms of society It explores how marginal identity was formed perceived and represented in Britain and Europe during the medieval and early modern periods It illustrates that the identities of marginal groups were shaped by their place within primarily urban communities both in terms of their socio economic status and the spaces in which they lived and worked Some of these groups such as executioners prostitutes pedlars and slaves performed a significant social and economic function but on the basis of this were stigmatized by other townspeople Language was used to control and limit the activities of others within society such as single women and foreigners as well as the victims of sexual crimes For many such as lepers and the disabled marginal status could be ambiguous cyclical or short lived and affected by key religious political and economic events Traditional histories have often considered these groups in isolation Based on new research a series of case studies from Britain and across Europe illustrate and provide important insights into the problems faced by these marginal groups and the ways in which medieval and early

modern communities were shaped and developed      **What's Left of the Left** James E. Cronin, George W. Ross, James Shoch, 2011-08-24 Considers how centre left political parties have fared since the 1970s and the daunting but by no means insurmountable challenges faced by them      **Transactions of the ... Session of the American Institute of Homoeopathy** American Institute of Homeopathy, American Institute of Homeopathy. Annual Session, 1892      Lone Motherhood in Finnish Women's Life Stories Vanessa May, 2001      **Women's Studies Index**, 1996      *New Literature on Women*, 1995      **Enemies of the People** Katherine Bliss Eaton, 2002 Katherine Eaton has compiled a collection of essays on the destruction of the arts in Russia in the 1930s The essays provide information about what we know was lost and speculation about what might have been lost in the Stalinist Great Purge      **Contemporary Literary Criticism** Jeffery Hunter, 2005-06 Contemporary Literary Criticism covers authors who are currently active or who died after December 31 1959 Each print volume in this long standing series profiles approximately 6-8 novelists, poets, playwrights and other creative and nonfiction writers by providing full text or excerpted criticism taken from books, magazines, literary reviews, newspapers and scholarly journals. Approximately 90-95% of critical essays are full text. Each of the approximately 200 essays per volume is prefaced by a full citation and annotation and most entries in the print series include an author portrait. Other features of CLC in print include: A format familiar to librarians, Fully indexes by author name, title and nationality, Coverage of nearly 3,000 authors, More than 200 volumes in print since 1974, Each volume includes cumulative author name, topic and nationality indexes as well as a volume specific title index. A cumulative title index to the entire series is available separately.

**Resources for Feminist Research**, 1994      Subject Guide to Books in Print, 1991      **Single Women**, 1954  
    **Best's Life Insurance Reports**, 1918      **The Presbyterian**, 1908      **Blaustein's Pathology of the Female Genital Tract** Robert J. Kurman, 1994      **Medieval Feminist Newsletter**, 1999      **Human Rights in the 21st Century** M. Goodhart, A. Mihr, 2011-03-29 This is the first book to offer a systematic analysis of human rights in the 21st century. The chapters written from diverse methodological perspectives provide rich and varied insights on vital questions concerning the resiliency, weaknesses and prospects of human rights today      *Private Lessons in the Cultivation of Magnetism of the Sexes, Teaching the Development and Wonderful Enlargement of Those Powers and Influences that Nature Has Invented to Aid Every Human Life* Edmund Shaftesbury, 1924      **The Morning Star and Free Baptist**, 1904
