Sinners And Citizens Sinners And Citizens:

Sinners and Citizens Jens Rydström, 2003-11-15 *Sinners and Citizens* explores how sexual habits changed in Sweden during its development from an agrarian society into a modern welfare state Jens Rydström examines the history of homosexuality and bestiality in that country to consider why these sexual practices have been so closely linked in virtually all Western societies He limns sharply the distinctive experience of rural life showing that to regularly witness farm animals stirred passions and sparked ideas especially among young farmhands Based on medical journals psychiatric reports and court records from the period as well as testimonies from men in diaries letters and interviews *Sinners and Citizens* reveals that bestiality was once a dreaded crime in Sweden But in time mention of the practice disappeared completely from legal and medical debates This Rydström contends is because models of penetrative sodomy shifted from bestiality to homosexuality as Sweden transformed from a rural society into a more urban one As the nation's economy and culture became less identified with the countryside so too did its idea of deviant sexual behavior *The Life and Errors of John Dunton, Citizen of London* John Dunton, 1818 **The Life and Errors of John Dunton, Citizen of London** John Dunton, 1818 This two volume work originally published in 1705 and now reissued in John Nichols edition of 1818 was one of the earliest examples of autobiographical writing in English John Dunton 1659-1732 a highly eccentric bookseller and publisher was also responsible for one of the first periodicals in London the *Athenian Gazette* which invited its readers to submit questions on any topic to be answered by the Athenian Society a group of learned men in fact Dunton himself and some cronies However he was not a practical businessman and the death of his wife and his own illness led to poverty and to hack work for others *The Life and Errors* was followed by pamphlets attacking those whom he blamed for his misfortunes The work gives a fascinating picture of authors and the book trade in Restoration London Volume 1 contains Dunton's autobiography preceded by a short biography by Nichols *The Colloquies of Edward Osborne, Citizen and Clothworker, of London* Anne Manning, 1852 **Edward Osborne, Citizen and Clothworker, of London** Anne Manning, 1875

Childhood Citizenship, Governance and Policy Sana Nakata, 2015-03-27 Debates about children's rights not only concern those things that children have a right to have and to do but also our broader social and political community and the moral and political status of the child within it This book examines children's rights and citizenship in the USA UK and Australia and analyses the policy law and sociology that govern the transition from childhood to adulthood By examining existing debates on childhood citizenship the author pursues the claim that childhood is the most heavily governed period of a liberal individual's life and argues that childhood is an intensely monitored period that involves a politics of becoming adult Drawing upon case studies from the USA the UK and Australia this concept is used to critically analyse debates and policy concerning children's citizenship criminality and sexuality In doing so the book seeks to uncover what informs and limits how we think about talk about and govern children's rights in liberal societies This book will be of interest to students and scholars of

political science governance social policy ethics politics of childhood and public policy **Philosophy of the plan of salvation, by an American citizen [J.B. Walker]**. James Barr Walker, 1888 **Citizenship in Historical Perspective** Steven G. Ellis, Guðmundur Hálfðanarson, Ann Katherine Isaacs, 2006 The volume looks at the past and the present of European citizenship and by implication its future The aim of the investigation is theoretical and practical It is based on the conviction that knowledge is essential for decision making political or otherwise and that more knowledge is needed to make decisions about European citizenship Attitudes towards such vital political and ethical issues as citizenship are commonly based on general impressions and opinions rather than on a critically founded understanding As historians and specialists in other social and human sciences we believe it is our duty to contribute to the common patrimony of understanding and insight so that informed citizens can make informed decisions One part of the book is called Work gender and society it contains the articles from Waaldijk Laikos and Hageman **Liberty**, 1908 **Christian Salvation** Robert Alexander Webb, 1921 **The Works of Voltaire: A philosophical dictionary** Voltaire, Tobias Smollett, 1904 **North-western Christian Advocate**, 1900 **The Catholic Church and the Citizen** John Augustine Ryan, 1928 *The Citizen*, 1898 *Ethics of Citizenship* John MacCunn, 1894 **Select Notes on the International Lessons** Mary Abby Thaxter Peloubet, 1880 Includes Practical hints to teachers by Rev A F Schauffler ... *Select Notes on the International Sunday School Lessons ...*, 1903 **Select Notes** Mary Abby Thaxter Peloubet, 1880 *The Citizens Bulletin*, 1908 **Polygamy and Citizenship in Church and State** Samuel Spahr Laws, 1906
