Sins Sevin Penelope Ward:

Sins of Sevin Penelope Ward, 2015-09-19 From the New York Times bestselling author of RoomHate comes a new forbidden STANDALONE romance What happens when the one you want is the only one you can't have It was set in stone After years of rebelling against everything good and wholesome I'd agreed to an arranged marriage as part of a business proposition Elle and I hadn't spent any time together though aside from talking on the phone After a long distance relationship I planned to move into a guesthouse on her family's property so we could get to know each other before the wedding Elle was unlike anyone I'd ever been with She was so innocent and I had to respect her choice to wait until after we were married to have sex In the months before moving I'd accepted that as my fate even learned to control my desires Until I got there and met her the one That was when restraint became a problem especially since the one wasn't Elle It was her sister Evangeline For the first time in my life I was falling in love And I was screwed **Mack Daddy** Penelope

Ward, 2017-02-11 **Love Online** Penelope Ward, 2018-08-27 From New York Times bestselling author Penelope Ward comes a new sexy standalone novel We met in the least likely of places It started out innocently enough I was ScreenGod and she was Montana but of course those weren't our actual names just the virtual cloaks we hid behind Logging in at night and talking to her was my escape my sanctuary Her real name was Eden I'd soon come to find out From the first time we connected online I found myself transfixed She was an addiction At first we knew nothing about each other's real identities and she was adamant that we keep things that way Anonymity had no effect on our unstoppable chemistry though If anything it allowed us to open up even more in ways we may not have otherwise Eden was funny intelligent gorgeous everything I'd ever wanted in a woman But I couldn't really have her I had accepted things would have to stay the way they were until the day I found a clue that led me straight to her So I took a chance And that was when our love story really began
