Sir William Lyons The Official Biography:

Sir William Lyons Philip Porter, Paul Skilleter, 2001 The story of Sir William Lyons is indelibly linked with that of his remarkable Jaguar cars This inspiring book describes Lyons early influences his tentative steps into the motor trade and how while in his 30s he established a substantial motor manufacturing business and launched the Jaguar marque Lyons was known for his talent for automotive styling as well as his shrewd approach to business He also saw the importance of motorsport and used racing to establish Jaguar's image of engineering excellence *Max Hoffman: Million Dollar*

Middleman Myles Kornblatt, 2022-10-05 This fascinating story charts the career of Max Hoffman the US car dealer who represented Jaguar Porsche Mercedes Volkswagen Fiat Lancia BMW and many other European car brands during the decades following WWII He pushed for distinguished now classics like the Mercedes 300 SL Gullwing Porsche Speedster BMW 507 and Alfa Romeo Giulietta Spider Hoffman built a reputation as an effective middleman but as the car companies he represented became more successful under his watch the less they needed their go between When it was inevitably time to say goodbye to Maxie he showed his teeth with everything from lawsuits against his suppliers to threatening executives with a mob hit However Hoffman also had a very good reason to be defensive He understood the American market and he pushed manufacturers specifically for cars that would strike a chord and make everybody involved richer Sometimes the hero sometimes the villain but more often than not Max Hoffman was the unseen puppet master behind some of today's best classics *Classic Jaguar XK* Brian Laban, 2016-08-31 There have been other generations of Jaguar XK since but the definitive incarnation is the family of 6 cylinder sports cars that stretch from the late 1940s to the mid 1970s from XK120 to the E Type On road on track and on rally stage they built the foundations of Jaguar's sporty image and giant killing reputation not to mention its commercial roots especially in America By any definition the 6 cylinder XKs are at the heart of everything that Jaguar grew into This is the complete story of the whole 6 cylinder XK generation the circumstances the people and the events that created it and made it a sports car legend and guaranteed that forever after in Jaguar's vocabulary XK would always mean sports car *Jaguar XJ Series Saloons* Mark Sutherland, 2024-07-15 The legendary XJ series Jaguars and Daimler Sovereigns This is a highly accessible readable and informative guide to one of the most successful series of British luxury cars
