But some elements even she can't control. Nym must decide whom to trust as she's unleashed into a world of assassins and political betrayal surrounding a young king fighting for his throne a tired nation that has forgotten its calling and her handsome tutor whose dark secrets could destroy both her people and her heart. **Siren's Storm** Lisa Papademetriou,2012-06-12 Strange things have been happening in seventeen year old Will's Long Island resort town where his brother died last summer but now their life long summer friend Gretchen is in danger and the alluring mysterious newcomer Asia may be involved. *Dark Water: A Siren Novel* Tricia Rayburn,2012-07-10 The sea is calling but the reluctant siren will do anything not to answer. Sirens Sedona Ashe,2023-08-12 There's no escaping the Princess of Atlantis or the coming storm. The Lure spreads like a plague infecting and consuming the minds of humans from city to city. As greedy as ever those humans began drilling near my resting place and woke me from the magic induced coma I'd been in since the war that sunk Atlantis. I'm awake and hangry. My oath to rid the world of the Lure that caused the war is more important now than ever before. While I have been sleeping the lure has been busy Spreading Destroying I need to get busy. It's easy to find the men with Lure blackened hearts and drag them to their watery graves beneath the sea. But it isn't long before the disappearances are noticed by these modern day humans with strange ways. Overnight I go from hunter to hunted. The government sends a team of sexy men to track me down and I want to sink my fangs into them. Not to kill them but to claim them as my mates. I just need to figure out

how things work with my new anatomy My biggest worry is how can I rid the world of the Lure s corruption while staying hidden and keeping my men safe Being the somewhat good guy is exhausting And now that I have legs and a tail I m going to use them For good and bad of course This complete set includes the following three books in the Royal Storm of Atlantis Series Siren s Hunt Book 1 Siren s Throne Book 2 Siren s Tribute Book 3 This paranormal fantasy romance features a slightly darker siren who collects her mates throughout the series This is not the usual bubbly mermaid tale It is full of spice humor and a slightly feral out of her time siren and let s not forget the totally ripped guys you will want to sink your fangs into Do not fear thought it does feature a happily ever after even if it might take you a while to get there **The Siren Wars Saga**
