Sissification Manual:

Angelsilk's Sissy Manual: the Ultimate Training Program Angelina Pinkpanties,2018-02-27 This is the penultimate most definitive and comprehensive sissy training program ever written Lesson by lesson this series will transform even the most timid or resistant of sissies to the girl she has always wanted to be This first installment is comprehensive overview of the lessons to come and several sissy fundamentals are covered within it A bit hot and heavy Reader s beware Sissy Insurgencies Marlon B. Ross,2021-12-06 In Sissy Insurgencies Marlon B Ross focuses on the figure of the sissy in order to rethink how Americans have imagined articulated and negotiated manhood and boyhood from the 1880s to the present Rather than collapsing sissiness into homosexuality Ross shows how sissiness constitutes a historically fluid range of gender practices that are expressed as a physical manifestation discursive epithet social identity and political phenomenon He reconsiders several black leaders intellectuals musicians and athletes within the context of sissiness from Booker T Washington George Washington Carver and James Baldwin to Little Richard Amiri Baraka and Wilt Chamberlain Whether examining Washington s practice of cleaning as an iteration of sissiness Baldwin s self fashioned sissy deportment or sissophobia in professional sports and black nationalism Ross demonstrates that sissiness can be embraced and exploited to conform to American gender norms or disrupt racialized patriarchy In this way sissiness constitutes a central element in modern understandings of race and gender Penile Imperialism Sheila Joy Jeffreys,2022-08-01 In this blisteringly persuasive and piercingly intelligent book Sheila Jeffreys argues that women live under penile imperialism a regime in which men are assumed to have a sex right of access to the bodies of women and girls She reasons that the sexual revolution that began in the 1960s unleashed an explicit male sexual liberation and that even now under current laws and cultural mores women do not have the right to self determination in relation to their bodies Sheila Jeffreys argues that the exercise of the male sex right has mainstreamed misogynist attitudes and so called sexual freedom has meant the freedom of men to use women and children with impunity The power dynamics of sex rather than being eliminated has been eroticised supported by state regulations and structures that have further entrenched male domination And while men s sexual fetishisms such as BDSM and transvestism have been normalised women now have to fight as their spaces are being erased and their voices silenced in a faux inclusivity that has naturalised sexual harassment Sheila Jeffreys contends that women s human rights are profoundly harmed and sexual violence is used more than ever to enforce social control of women This is a sobering and brilliant analysis of the modern predicament of women that is impossible to ignore **Breeding (EN01)** Sue Yan Nish,2022-11-22 C01 Modern Nation Building Empty Nation is a sci fi romantic erotic political satire comedy The story begins two hundred years in the future In this first book the framework for the entire series is defined Yanket Seymour concoct a wild futuristic plan for a new government program the MSES to control the economic fate of the world nothing new Note the appendix for the entire series is in the SM069 Manual available on both Audible com and Amazon com websites C02

Program Seymour explores for the first time how absolutely wild their plan really is Yet supplying a sufficient amount of good time sex to the workforce is deemed essential to the Nations survival Yanket Seymour wrangle with the Cunt gress to support their MSES scheme regardless of the social and political nightmare it may cause C03 Family The two main characters in the Series Mary Jane the Gurls are breed into existence and introduced to the readers and listeners available on Audible com This book steps through a brief history of the Gurls from conception birth and breeding by the Human host families All the while they re being indoctrinated into the USA Inc political and economic systems by government supplied drugs to maintain a pleasant and sensual sedated state in a surrealistic world as Sex Slaves Sissies for profit C04 HCC This story has many concepts which are bitter sweet till you realize you re reading fiction The USA Inc government in the future is portrayed as an imperialistic monstrous demon shunned by all other nations and the UN The society in the new America crosses some pretty taboo moral lines supported completely by the new US second constitution with amendments So performing lewd sex acts and behavior was legitimizing for citizens in and out of public And what better way to nullify the old morals of the Caligula type society than through religion The final scene has Jane Gurl who is a one year old baptized at the Holy Cockolic Church HCC and her mother goes to confession which requires deep penetration penance *Female Dominatrix Manual for Beginners* Mistress Dede,2016-11-06 Are you usually aggressive in the bedroom Ever considered becoming a dominatrix Do you want to really feel the thrill of dominating a man in the bedroom Have you ever considered making a living out of it Or maybe you have always been submissive and would like to take control This book is your complete guide to female dominance

The Dominatrix Manual Mistress Dede,2015-02-13 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word When the thoughts of being in control creep into your head that sexy little smile starts to play over your lips and you start to get some ideas that you want to try on your man As women we have all been there but being women many of us are unable to take hold of our control and dominate a man The idea of being a dominatrix is often seen as a sexual and social taboo and many women are afraid of what society would say what our family and friends

would think and in general we feel that it isn't the position of a woman to take the stance of power and control. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go.
