Sissies and Tomboys Matthew Rottnek, 1999-05 In 1973 homosexuality was officially depathologized with a revision in the Diagnostic and Statistical Manual of Psychiatry In 1980 a new diagnosis appeared Gender Identity Disorder of Childhood GID The shift separated gender from sexuality while it simultaneously reinforced traditional concepts of male and female and made it possible for cross gendered behavior and or identification to be deemed psychiatric illness What is the difference then between a child being called a sissy on the playground and being labeled with a disorder in a psychiatric hospital Combining theory and personal narrative this volume interrogates the meaning of the normal that pervades the literature on GID and investigates the theoretical underpinnings of the diagnosis Sissies and Tomboys considers how the stigma of illness influences a child s development and what homosexual childhood freed from the constraints of conventionally acceptable gender expression might look like The Last White Slave m missy, 2015-01-07 THE LAST WHITE SLAVE PART TWO Based in real history comes a story like none ever told A story of the old South where bondage domination submission and humiliation were real and not a game people played An entertaining thriller which will Educated you Sadden you Excite you Anger you Shock you Make you cry Maybe all at the same time Hello my name is Matthew Michael McCall III this is my story The story of my life as the last white slave The story of the worst President in the history of the United States A story about the Civil War Abraham Lincoln s war KING ABRAHAM LINCOLN KING Abraham Lincoln caused the needless murder and or maiming of over 700 000 Americans My story a love story of the unbelievable kind A story with an explosive ending you should be surprised A story that suggests slavery was never outlawed in the United States that s right the 13th amendment to the constitution Abraham Lincoln says was passed may not have been passed Slavery may still be legal KING Lincoln knew that but what does a self appointed KING care about the law Not much as it turned out **If You Seduce a Straight Person, Can You Make Them Gay?** John Dececco, Phd, John Patrick Elia, 2014-05-01 The debate on whether or not people are born homosexual biological essentialist theory or become homosexual during the course of their lives social constructionist theory continues as each side claims to prove the truth through research and clinical findings This breakthrough book shows the fissures in concepts of the gay and lesbian identity and the one sidedness of both biological essentialist and social constructionist versions of both sexual and gender identity The editors present an alternative view sexual and gender expression is a product of complementary biological personal and cultural influences in If You Seduce a Straight Person Can You Make Them Gay Through theoretical analysis ethnographic and empirical data and case studies the editors show how the one sidedness of both biological essentialist and social constructionist versions of sexual and gender identity make it difficult if not impossible to conceptually determine the origin of an individual s sexual expression This thought provoking book covers many topics that are sure to cause readers to re evaluate their thinking about the origins of gay and lesbian identity Among the topics examined with this fresh perspective are Childhood Cross Gender Behavior and

the book explores how human beings are less constrained by biology than many would like to believe Social circumstances  
and economics cause some determination of identity but not exclusively Theoretical introductions to each chapter attempt to

ethics can and should be reclaimed to pursue the moral good for gay men and lesbians Gay Ethics is a timely book that  
illustrates the inadequacies of various moral arguments used in regard to homosexuality This book reaches a new awareness  
for the standing and treatment of gay men and lesbians in society by moving beyond conventional philosophical analyses that  
focus exclusively on the morality of specific kinds of sexual acts the nature of perversion or the cogency of scientific accounts  
of the origins of homoeroticism It raises pertinent questions about the meaning of sexuality for private and public life civics  
and science Some of the issues covered Sexual Morality Outing Same Sex Marriage Military Service Anti Discrimination

of academics working in gay and lesbian studies and because of its current content is of interest to an educated lay public It  
will be a standard reference point for future discussion of the matters it addresses **Pearson's Magazine** ,1903
