

A studio portrait of two young girls. The girl on the left, with long blonde hair, is wearing a pink, ribbed, strapless top and is leaning her head against the other girl's shoulder. The girl on the right, with shorter blonde hair, is shirtless and has her arm around the first girl. They are both looking towards the camera with neutral expressions. The background is a soft, out-of-focus grey.

Myers, 2023-10-04 Fighting Blackmail Scandal And they say rookies don't have fun Jack Jack Ruby is a fighter literally At 19 he's gotten into more fights than he remembers It probably has to do with the fact that since he was a child he's been angry His mother's a drug addict who only talks to him when she wants money he lives with his best friend since he has nowhere else to go and he's in love with said best friend's sister He's screwed The only good that comes out of this is he just signed with the Newport Beach Seagulls's minor league affiliate the Irvine Mayhem If he's good at anything it's hockey And sex And fighting As long as he stays away from Lily he'll be fine But Jack's never been good at playing by the rules Lily Lily Sinclair doesn't get the opportunity to say no when her brother and his best friend move in with her She's trying to get ready for her first year of college while they're partying getting into fights and playing hockey Must be nice It wouldn't be so bad if her brother was friends with anyone but Jack Sinclair The brown eyes the high cheekbones that mischievous grin God she's in so much trouble When an ex shows up in her life blackmailing her over a video Lily hadn't been aware of she's tells him to eff off That's when all hell breaks loose in the form of Jack Ruby Will he ever look at her the same way again

## **Mainstreaming Porn** Elaine

Craig, 2024-09-15 The ubiquity of streaming sites such as Pornhub has transformed the social role of sexually explicit content today Online porn is no longer a shady corner of the internet it is mainstream Its production commodification and consumption on data driven online platforms has changed and is changing our personal relationships social and legal systems and sexual norms Online porn platforms are shaping sexual desires and practices in the same way that Google and Facebook have affected social relationships and the circulation of information porn is now consumed on data driven platforms with algorithms designed to engage the attention of users encourage the production of user generated videos and filter content Through frank examination of mainstream content with themes of incest intoxication and so called consensual rough sex issues that play out in life and in court Elaine Craig shows how the platformization of mainstream pornography is shaping our sexual culture in real time Mainstreaming Porn maps a complicated web of legal culture and legal actors from corporate

lawyers and platform content regulation to the criminal civil and administrative contexts in which porn companies operate and the legal interpretation of sexual assault defences All have profound implications for the promotion and protection of everyone's sexual integrity and especially that of women and girls Mainstreaming Porn is an unflinching carefully balanced perspective on a divisive topic Without demonizing pornography or its consumption Craig makes a powerful argument for applying legal mechanisms to corporate owned online platforms while offering a sober evaluation of the limits of the law in governing pervasive cultural norms and social understandings of sexuality **Him** L.J. solicits the support of a local intelligence agency for the key job of hacking a database in Switzerland which will provide the only possible way of stopping this nefarious plan With the help of his sister in law the Swiss coordinate a response to the threat at UN level freeing Peter to take over the job of assassinating all of the remaining key conspirators The question is can this be done without actually catalysing a pre programmed apocalypse *The Psychotronic Video Guide To Film* Michael Weldon,1996 The bible of B movies is back and better than ever From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today s Golden Age of Video all described with Michael Weldon s dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan **Scandalous** Leena Ching,2015-01-31 Serenity Jones is not your average 26 year old Not only is she still a virgin but she often envisions herself in situations where she is making love to every attractive man she meets When she finally meets Lionel she thinks she finds the man she s not only going to lose her virginity to but who she can spend the rest of her life with That all changes when she discovers the man if her dreams has more than a few skeletons in his closet When she becomes determined to expose the truth she finds herself finding out that everyone is not who they seem to be
