Common Threads Sally Dwyer-McNulty, 2014-04-15 A well illustrated cultural history of the apparel worn by American Catholics Sally Dwyer McNulty's *Common Threads* reveals the transnational origins and homegrown significance of clothing in developing identity unity and a sense of respectability for a major religious group that had long struggled for its footing in a Protestant dominated society often openly hostile to Catholics Focusing on those who wore the most visually distinct

clothes priests women religious and schoolchildren the story begins in the 1830s when most American priests were foreign born and wore a variety of clerical styles Dwyer McNulty tracks and analyzes changes in Catholic clothing all the way through the twentieth century and into the present which finds the new Pope Francis choosing to wear plain black shoes rather than ornate red ones Drawing on insights from the study of material culture and of lived religion Dwyer McNulty demonstrates how the visual lexicon of clothing in Catholicism can indicate gender ideology age and class Indeed clothing itself has become a kind of Catholic language whether expressing shared devotional experiences or entwined with debates about education authority and the place of religion in American society

Bellamy, 2006 Each religious institute over the years of its life weaves a story that is uniquely its own The story of the Congregation of the Sisters of Mercy of Newfoundland was begun before the first Sisters of Mercy ever set foot on the island of Newfoundland The circumstances of the founding the character example and teachings of the foundress the sufferings hardships joys and triumphs of the members the accounts of new missions undertaken and the tales of saintly and not so saintly individuals are all elements in a congregational history that has been passed down through the years and is still unfolding While the tapestry is indeed woven from all the individual strands of the congregation s members there are some who through their wisdom initiative and courage were the artists who gave the principal outline and shape to the tapestry This book presents in truth and simplicity the story of a group of ordinary women who did ordinary things but who did them extraordinarily well It is an attempt to capture the spirit that called young women to give up home with all that this implies in an attempt to bring a little more equality and justice to the world They did this by educating the young caring for the poor and the sick and empowering people to take control of their own lives and destinies so that all people might live in dignity and peace
