## SING TO THE DAWN

---

The novel that I study is 'Sing to the Dawn' by Minfong Ho. The novel details the obstacles faced by Dawan, a girl living in a rural village in Thailand, and how she overcomes them. Initially, when she wins the scholarship to further her studies in the city, she is excited. However, the response from her father and her brother Kwai are far from encouraging. They try to discourage her from going to the city. They belittle her based on her gender. She is continuously reminded that she will never achieve anything as she is nothing more than a girl. In the end, however, she defeats all odds and manages to further her studies in the city.
