## **Musicology**

**of Religion** Guy L. Beck,2023-05-01 For generations religion and music have been regarded as universals yet despite the fact that they have been frequently linked throughout history and topography and despite the importance of music in the early stages of religious studies their combined presence has not until now been considered a separate area of study and research While there are well developed fields of anthropology of religion psychology of religion and philosophy of religion the widely recognized connections between religion and sound chant and music warrant comparable study Drawing upon theories and methods in the study of both religion and music referencing examples from world religious traditions and

addressing challenges posed by critics this book envisions a unified field for religion and music musicology of religion Grounded in the scope and methods of phenomenology and comparative analysis musicology of religion represents an innovative direction in interdisciplinary study enriched by the social sciences ethnomusicology philosophy theology liturgical studies and cognitive studies As conceived musicology of religion will spearhead new and creative paths in the study of religion

**Sacred and Secular Musics** Virinder S. Kalra,2014-11-20 How does the sacred secular opposition explain itself in the context of musical production This volume traces this binary as it frames Western Classical music and Indian Classical music in the 18th and 19th centuries laying the ground for a contemporary exploration of what is ostensibly sacred music in South Asia Offering a potent critique of musicological knowledge making Virinder S Kalra explores examples of South Asian musics in various domains and traverses a new cartography of music in which the sacred and the secular overlap Drawing on examples which include Qawwali kirtan and popular devotional genres Sacred and Secular Musics offers new empirical material as well as new insights into conceptualising religion and music and the ways in which music performs sacredness and secularity across the contested India Pakistan border in the region of Punjab Through its deconstruction of the sacred secular opposition Sacred and Secular Musics explores the relationship of religion and music to wider questions of religion and politics Its postcolonial approach brings Asia into the Western sacred secular opposition and provides a set of analytical tools a language and range of theories to allow further exploration of non western religious music
