Singing With Blackbirds The Survival Of Primal Celtic Shamanism In Later Folk Traditions:

Singing with Blackbirds Stuart A. Harris-Logan,2006 A study of the survival of primal Celtic shamanism in later folk traditions of Gaelic speaking peoples This is an insightful and intelligent academic study that brings together areas of study not normally combined in an accessible style

Cosmopolitanism, Nationalism, and Modern Paganism Kathryn Rountree,2016-12-10 This volume explores how Pagans negotiate local and global tensions as they craft their identities both as members of local communities and as cosmopolitan citizens of the world Based on cutting edge international case studies from Pagan communities in the United States Poland Russia Ukraine Israel South Africa Australia New Zealand and Malta it considers how modern Pagans negotiate tensions between the particular and universal nationalism and cosmopolitanism ethnicity and world citizenship The burgeoning of modern Paganisms in recent decades has proceeded alongside growing globalization and human mobility ubiquitous Internet use a mounting environmental crisis the re valuing of indigenous religions and new political configurations Cosmopolitanism and nationalism have both influenced the weaving of unique local Paganisms in diverse contexts Pagans articulate a strong attachment to local or indigenous traditions and landscapes constructing paths that reflect local socio cultural political and historical realities However they draw on the Internet and the global circulation of people and universal ideas This collection considers how they confound these binaries in fascinating complex ways as members of local communities and global networks

The Celtic Way of Seeing Frank MacEowen,2010-10-05 The Celtic Way of Seeing posits a direct link between the eye and the heart a link that connects seekers to forces energies and knowledge that exist beyond the corporeal world This book explores this concept through retelling the traditional story The Settling of the Manor of Tara which describes the spiritual divisions of Ireland and the four directions north south east and west The orientations to the four directions and the center become the focal point of a series of simple meditations that guide readers to see the directions making the Irish Spirit Wheel come alive in their daily lives

Salmon in the Spring Jason Kirkey,2009-11 Here at the end of the Cenozoic Era with the life systems withering away a surprising creativity appears a kind of mystical balancing act The world's spiritual traditions are entering into deeply engaged conversations through which the riches of each are ignited in new ways With The Salmon in the Spring Jason Kirkey has boldly carved out his place in this exciting work with his original interpretations of the concepts and stories of ancient Ireland Kirkey's vision speaks directly to our present ecological challenge Rejecting those nature denying forms of spirituality that have been used too easily to justify our domestication of the planet The Salmon in the Spring announces its thrilling spiritual foundation Our wild nature is our soul Brian Swimme California Institute of Integral Studies
