strengths **100 Questions and Answers About Gen X Plus 100 Questions and Answers About Millennials** Michigan State University School of Journalism,2019-06-24 Gen X and Millennials are explored in this double guide in Michigan State University s Bias Busters series It answers everyday questions and stereotypes about these two important generations Learn

how they got their names how these generations are described and how their proud members identify themselves You will find answers about when generations begin and end and the seismic events defining them This guide is for people in business education government medicine law and human resources who need a starting point for understanding the truth about these influential age cohorts **The Cactus and Snowflake at Work** Devora Zack,2021-11-02 This hilarious and profound

workplace guide proves the rigorously rational and the supremely sympathetic can meet in the middle and merge their strengths Readers will discover how blending with their opposite opens the pathway to being their truest selves Carl Jung's personality typology introduced the distinction that Feelers who lead with their hearts put more weight on personal concerns and the people involved and Thinkers who lead with their heads are guided by objective principles and impartial facts This book calls them Cacti and Snowflakes each singularly transcendent But can people with such fundamentally different ways of making sense of and engaging with the world work together Yes says Devora Zack The key is not to try to change each other Zack says we can directly control only three things what we say what we think and what we do The best use of our energy is to focus on our own reactions and perceptions rather than try to fix other people This book includes an assessment so readers can learn where they are on the Thinker Feeler spectrum and because it's a spectrum readers might well be a snowcactus or a cactusflake Then Zack helps them figure out where other people might be guiding them through a myriad of modes of communication and motivation based on personality type She includes real life scenarios that show how to nurture one's nature while successfully connecting with those on the other side As always Zack fearlessly and entertainingly dispels myths squashes stereotypes and transforms perceived liabilities into strengths And she once again affirms that like chocolate and peanut butter we are better together
