Singular Intimacies Singular Intimacies:

Singular Intimacies Danielle Ofri, MD, 2009-04-01 A finely gifted writer shares fifteen brilliantly written episodes covering the years from studenthood to the end of medical residency Oliver Sacks MD author of *The Man Who Mistook His Wife for a Hat* *Singular Intimacies* is the story of becoming a doctor by immersion at Bellevue Hospital the oldest public hospital in the country and perhaps the most legendary It is both the classic inner city hospital and a unique amalgam of history insanity beauty and intellect When Danielle Ofri enters these 250 year old doors as a tentative medical student she is immediately plunged into the teeming world of urban medicine mysterious illnesses life and death decisions patients speaking any one of a dozen languages and overworked interns devising creative strategies to cope with the feverish intensity of a big city hospital Yet the emphasis of *Singular Intimacies* is not so much on the arduous hours in medical training which certainly exist here but on the evolution of an instinct for healing In a hospital without the luxury of private physicians where patients lack resources both financial and societal where poverty and social strife are as much a part of the pathology as any microbe it is the medical students and interns who are thrust into the searing intimacy that is the doctor patient relationship In each memorable chapter Ofri's progress toward becoming an experienced healer introduces not just a patient in medical crisis but a human being with an intricate and compelling history Ofri learns to navigate the tangled vulnerabilities of doctor and patient not to simply battle the disease

Wayward and Homebound William

Desmond, 2025-11-01 Offers an expansion of Desmond's explorations in the philosophy of the between by considering in a fresh way the distinctive features of Irish thought with reference to religion culture and poetry In *Wayward and Homebound* William Desmond explores the philosophy of the between in connection with traditions of Irish thought and culture especially poetry drawing upon the metaxological philosophy developed most systematically in the award winning *Being and the Between* Ethics and the Between and God and the Between It begins with a broad overview of this notion in connection with Irish thinking and culture by contrast with French German and Greek variations of the notion It touches on figures like John Scotus Eriugena John Toland George Berkeley and Edmund Burke as well as major poets and writers like Swift Yeats Joyce and Beckett The paradoxical twinning of being at home and not being at home and the relation of thought and exile in an Irish as well as more cosmopolitan setting are explored Desmond presents a synopsis of metaxological philosophy and how it contributes to aesthetics ethics religion and metaphysics In an extended exploration of Irish betweenings reflections are offered that move from nature to culture with four sequences of reflections on islanding naturing homing and wording Additional concerns come to light such as insular thinking the ecology of land and sea religion postcolonialism and the dialogue of poet and philosopher

Life Stories Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on

more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books

Intimate Revolt Julia Kristeva,2025-01-14 Julia Kristeva herself a product of the famous May 1968 Paris student uprising has long been fascinated by the concepts of rebellion and revolution But is it still possible to build and nurture a culture of revolt in today s world In this book Kristeva examines the manner in which three of the most unsettling modern writers Louis Aragon Jean Paul Sartre and Roland Barthes affirmed their personal rebellions She then ponders the future of rebellion maintaining not only that political revolt is mired in compromise but also that an essential component of European culture a culture of doubt and criticism is losing its moral and aesthetic force

Incidental Findings Danielle Ofri, MD,2006-04-01 In Singular Intimacies which the New England Journal of Medicine said captured the essence of becoming and being a doctor Danielle Ofri led us into the hectic constantly challenging world of big city medicine In Incidental Findings she s finished her training and is learning through practice to become a more rounded healer The book opens with a dramatic tale of the tables being turned on Dr Ofri She s had to shed the precious white coat and credentials she worked so hard to earn and enter her own hospital as a patient She experiences the real slight prick and pressure of a long needle as well as the very real sense of invasion and panic that routinely visits her patients These fifteen intertwined tales include Living Will where Dr Ofri treats a man who has lost the will to live and she too comes dangerously close to concluding that he has nothing to live for Common Ground in which a patient s difficult decision to have an abortion highlights the vulnerabilities of doctor and patient alike Acne where she is confronted by a patient whose physical and emotional abuse she can t possibly heal so she must settle on treating the one thing she can the least of her patient s problems and finally a stunning concluding chapter Tools of the Trade where Dr Ofri s touch is the last in a woman s long life
