Sinister Forces A Warm Gun A Grimoire Of American Political Witchcraft:

Sinister Forces Peter Levenda, 2011 **Sinister Forces--A Warm Gun** Peter Levenda, 2011 The roots of coincidence and conspiracy in American politics crime and culture are investigated in this second volume of a three part set that exposes new connections between religion political conspiracy terrorism and occultism Not a work of speculative history this expos is founded on primary source material and historical documents and provides strange parallels between supernatural forces such as shaminism ritual magic and cult practices and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK ULTRA Fascinating details on Nixon and the Dark Tower the Assassin cult and more recent Islamic terrorism and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed *A Warm Gun* Peter Levenda, 2005-12 The roots of coincidence and conspiracy in American politics crime and culture are investigated in this analysis that exposes new connections between religion political conspiracy terrorism and occultism Readers are provided with strange parallels between supernatural forces such as shaminism ritual magic and cult practices and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK ULTRA Not a work of speculative history this expos is founded on primary source material and historical documents Fascinating details on Nixon and the Dark Tower the Assassin cult and more recent Islamic terrorism and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed **Sinister Forces: A Grimoire of American Political Witchcraft** Peter Levenda, 2026-02-17 Discover the book that inspired Tom DeLonge's new sci fi epic *Time Rider* Peter Levenda's *Sinister Forces* returns in a special Twentieth Anniversary Deluxe Edition uniting all three chilling volumes in one collector's release exclusively from To The Stars In *Sinister Forces* Levenda uncovers hidden threads of American history from military experimentation to political assassination occult ideology to psychological manipulation and weaves them together to show how the United States has been shaped by dark irrational and often invisible forces His work the result of over twenty years of research across more than forty countries explores the relationship of intelligence agencies with mysticism and mind control e g the CIA's MK ULTRA program dives into the dark networks behind political violence from Nazi occultism to the ritualistic assassinations of transformational leaders JFK RFK MLK and Malcolm X and reveals how cultural chaos covert manipulation and symbolic ritualistic violence by the likes of the Manson family and the mysterious Nine are used to reshape public consciousness Levenda shows how themes of initiation sacrifice transformation and concealment recur like ritual throughout American history He goes beyond official narratives and common conspiracies to confront the possibility that beneath the surface of history there lies a kind of symbolic logic where trauma is ritualized power is mythologized and repetition becomes a form of control *Sinister Forces* challenges readers to become more conscious to think critically investigate deeply and reclaim our understanding of history from the shadows **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin

G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible

prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh's Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book **A Certain Arrogance** George Michael Evica,2011-02-01 Providing the first global cultural context for the assassination of John F Kennedy this investigation into how United States intelligence agencies and other entities manipulated liberal religious groups and educational institutions for ideological political and economic gain during the Cold War exposes numerous previously misunderstood political operations Including assassinations these projects include those facilitated by Allen Dulles John Foster Dulles the U S State Department the Office of Strategic Services and its successor the CIA and other individuals and groups Focusing on the manipulations of key individuals in the American Unitarian Association the Unitarian Service Committee and the Unitarian supported Albert Schweitzer College by covert American interests during the Cold War this expos asserts that an unwitting Lee Harvey Oswald an asset and pawn of American intelligence was the ideal scapegoat in a tragically successful conspiracy to murder President Kennedy *A Memoir of Injustice* Jerry Ray,Tamara Carter,2011-02-19 Including previously undisclosed information on one of the most significant and mysterious events in modern American history this account debunks the myth that James Earl Ray was a racist and documents his actual location on one of the critical days leading up to the assassination of Martin Luther King Jr The memoir also reveals photographs of James Earl Ray when he was ill in prison and gives the key to a code used by the brothers in planning a prison break Presenting a mesmerizing perspective on the manipulation of the media in reporting on race relations the working middle class and the U S criminal justice system this account broadcasts an urgent call to action to correct some of the many injustices that surround these events such as the U S government's refusal to rigorously test the alleged murder weapon and encourages support for new federal legislation **Secret Agent 666** Richard B. Spence,2008 Aleister Crowley is best known today as a founding father of modern occultism and his influence can be found everywhere in popular culture Crowley also known as the Great Beast has been the subject of several biographies some painting him as a misunderstood genius others as a manipulative charlatan None of them have looked seriously at his career as an agent of British Intelligence Using documents gleaned from British American French and Italian archives **Secret Agent 666** sensationally reveals Crowley's role in many government plots **Killing God's Enemies:** John Lee Brook,2017-11-03 **Killing God's Enemies** relates the origin history and activities of the church of Christian Identity and its violent outgrowth called the Phineas Priesthood In doing so the book reveals the group's philosophy of hate their methodology which is death to all blacks Jews homosexuals and abortionists and their goal which is an America ruled by white men The church of Christian Identity is a small and obscure religious denomination Its radical arm the Phineas Priesthood barely registers on the radar screens of the general public's consciousness That is until it's too late For the

Phineas Priesthood is unlike any other priesthood There is no seminary and no ordination There is only one requirement kill the enemies of God Killing God s Enemies will tell the fantastic but true tale of how Christian Identity came to exist where the idea of the Phineas Priesthood came from relate the violent exploits of the Priesthood s lone warriors and show how Anti Semitism forms the fulcrum upon which Christian Identity pivots **Watergate Exposed** Robert Merritt,2010-10-01 Disclosing new factual material about the Watergate scandal this provocative expos of the famed break in of the Democratic National Committee headquarters in 1972 reveals that the burglars were set up and explains how our historical consciousness has been altered to obscure the truth Written by a confidential informant this never before told story rewrites the accepted truth of the scandal that rocked the political world and the entire nation while taking readers on a behind the scenes tour of a major criminal investigation Drilling down to the core level of the political nightmare shocking acts of manipulation and deceit are uncovered as new light is shed on the players and puppet masters behind the event that led to the one and only presidential resignation in U S history *Rigorous Intuition* Jeff Wells,2013-08-01 A welcome source of analysis and commentary for those prepared to go deeper and darker than even most alternative media permit this collection from one of the most popular conspiracy theory arguments on the internet will assist readers in clarifying their own arguments and recognizing disinformation Tackling many of the most difficult subjects that define our time including 9 11 the JonBenet Ramsey case and High Weirdness these studies containing the best of the Rigorous Intuition blog as well as original content make connections that both describe the current alarming predicament and suggest a strategy for taking back the world Following the maxim What you don t know can t hurt them this assortment of essays and tools including the updated and expanded Coincidence Theorists Guide to 9 11 guides the intellectually curious down further avenues of study and scrutiny and helps readers feel empowered rather than vulnerable **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
