

The Ant Hill

Dad and I took a hike in the woods. We walked for a long time and stopped to take a rest. We sat down on a log and had a drink of water. A big hill was nearby.

Dad said, "Look, there's an ant hill."

I walked up to the hill and took a closer peek. At first it looked just like a dirt hill. Then I noticed a few ants running around. I looked closer. I saw little ants carrying pieces of mushroom. The pieces were almost as big as the ants.

"What are they doing, Dad?" I asked.

"They're taking food inside the hill. They probably have thousands of ants to feed inside." Dad said, "Watch this." He gently poked a twig into a small hole on the hill. All of a sudden, many ants came out.

"The ants are on alert, trying to protect their hill," he said.

I bent down to look closer. Some ants climbed on my shoes.

"We should leave now," Dad said. Dad and I walked and walked until we were home. Now whenever I see one ant, I stop and think about the city of ants they might be feeding and protecting.
