Latinos, Inc. Arlene Dávila, 2012-09-01 Both Hollywood and corporate America are taking note of the marketing power of the growing Latino population in the United States And as salsa takes over both the dance floor and the condiment shelf the influence of Latin culture is gaining momentum in American society as a whole Yet the increasing visibility of Latinos in mainstream culture has not been accompanied by a similar level of economic parity or political enfranchisement In this important original and entertaining book Arlene Dávila provides a critical examination of the Hispanic marketing industry and of its role in the making and marketing of U S Latinos Dávila finds that Latinos increased popularity in the marketplace is simultaneously accompanied by their growing exotification and invisibility She scrutinizes the complex interests that are involved in the public representation of Latinos as a generic and culturally distinct people and questions the homogeneity of the different Latino subnationalities that supposedly comprise the same people and group of consumers In a fascinating discussion of how populations have become reconfigured as market segments she shows that the market and marketing discourse become important terrains where Latinos debate their social identities and public standing **Manual práctico**

Si los jueces C digo penal malversación sedición puigdemont irenemontero todas estas palabras fueron tendencia del 11 al 17 de noviembre de 2023 la manada se acabó rubiales amnistía o lawfare lo fueron antes o después de aquella fecha y muchas otras más lo serán en el futuro. Lo que une a todas ellas es el hacer referencia directa o indirecta al Derecho y a la justicia penal que en la última década se ha convertido en uno de los temas de discusión más habituales en la red social X antes denominada Twitter. Pero cómo se comunica acerca de la ley y de la justicia penal en esta red social. Quién y cómo lo hacen y en qué es distinto el debate formal y material al que tiene lugar en otros ámbitos. Hay una polarización sobre las cuestiones penales en este ámbito. Hay discusión dogmática o pura gresca política. Qué es lo que se dice sobre el Derecho penal acerca de su creación y de su aplicación por parte de los tribunales por gran parte de los usuarios de esta red social. El presente libro aborda el análisis de la comunicación sobre la justicia y la ley penal en la red social X. Lo hace centrándose en una semana en la que el Derecho penal fue trending topic aunque muchas de las reflexiones son aplicables a otros temas y otras tendencias relacionadas con el crimen y la respuesta jurídica a él. El objetivo es tanto aproximarse al análisis de cómo se está produciendo el debate público en el nuevo ecosistema mediático de las redes sociales como contrastar lo que en ese foro se decía acerca de las leyes penales y su aplicación con la visión técnica de los problemas jurídico penales y político criminales que estas cuestiones plantean. La Ley Orgánica 10/2022 de garantía integral de la libertad sexual y su aplicación por los tribunales, la reforma de los delitos de sedición y malversación, la independencia judicial, al hilo de la renovación del Consejo General del Poder Judicial entre otras cuestiones fueron debatidas y discutidas en una red social que podría estar incidiendo en la visión de la ciudadanía sobre la ley penal y configurando la opinión pública sobre el Derecho penal. Los autores del libro analizan todas y cada una de estas tendencias a partir de la discusión en Twitter entrando en la reflexión jurídica y político criminal sobre cada uno de los temas de fondo. También se reflexiona desde la criminología y la sociología sobre el impacto que una tuitización del discurso público sobre la ley penal podría conllevar a nivel político criminal.

La responsabilidad penal de las personas jurídicas, La presente obra aborda la responsabilidad penal de las personas jurídicas con especial consideración a las denominadas en el apartado 3 del artículo 31 bis del Código Penal personas jurídicas de pequeñas dimensiones aquellas que según la legislación aplicable están autorizadas a presentar cuenta de pérdidas y ganancias abreviada. El autor se adentra en los problemas específicos alrededor de la atribución de responsabilidad penal a esta clase de entidades con la finalidad de identificar anomalías en la aplicación de un instrumento punitivo concebido en principio para responder a las actividades delictivas de las grandes empresas. Para ello realiza un análisis global de este sistema penal a partir del cual establece diversas premisas sobre las que asentar su ulterior examen acerca del régimen de responsabilidad penal de las pequeñas sociedades mercantiles. A lo largo del trabajo y de la mano de abundantes referencias doctrinales y jurisprudenciales el autor analiza los diferentes modelos de imputación penal existentes ofrece criterios de corte material

para definir el per metro penal de las personas jur dicas de peque as dimensiones y describe los problemas interpretativos derivados de la legislaci n vigente Todo ello acompa ado de diversas pautas sobre su aplicaci n pr ctica siempre con la intenci n declarada de compatibilizar este sistema penal con las garant as constitucionales y los principios penales fundamentales En definitiva constituye la primera obra monogr fica que aborda de forma integral el estado de la cuesti n sobre la aplicaci n del estatuto penal a las personas jur dicas de peque as dimensiones **Diccionario Nuevo Larousse Manual Ilustrado**
