Sister Wendy's Book of Saints Wendy Beckett, 1998 Anthology of illuminated manuscripts, miniatures and icons relating to the lives of more than 40 Saints

Sister Wendy on the Art of Saints Wendy Beckett, 2013 Imagine going on a tour of a world class art museum with a talented and insightful curator. But instead of just focusing on the history, technique and cultural significance of each piece, you have the opportunity to reflect on the spiritual aspects of the works, examining their religious significance and concentrating on the transcendental meaning conveyed by the artist. This is what you'll find in this exquisitely produced book. Each one features fifteen pieces of art relating to the topic of the saints, with an extended reflection on each piece. The commentary is meditative more reflection on the spiritual nature of the paintings subject than art critique. Sister Wendy writes with the deft hand of one who is formed in spirituality, art and critical thinking. Her imagery is lush, creating a landscape where the sacred and profane live in comfortable coexistence through the medium of painting. For spiritual seekers and lovers of art, this book will offer a unique journey into the experiential nature of a well rounded faith.

The Saints Wendy Beckett, 1998-03 Filmed mostly in Italy, this video provides a backdrop to the stories told by Sister Wendy in which she celebrates the bimillenary of Christ with this look at the lives of saints told through works of art. She illustrates dramatic tales of treachery, torture, love and courage with visits to places where the saints lived and died, including St Marks Square in Venice, the hill town of Assissi, the Appian Way and the great dome of St Peter's in Rome.
