**Robert R. Redfield**

## **Sisters And Saints Women And American Religion Religion In American Life:**

**Sisters and Saints** Ann Braude,2007-11-21 Women are the backbone of the church says an old African American aphorism Since the 1660s women have made up the majority of members in almost all American religious groups They have provided essential financial and social support and worked tirelessly in the background of church based activities Throughout American history women have raised money for churches and synagogues embroidered altar cloths taught Sunday school prepared parish meals and sung in the choir They have educated their children in their beliefs and taken them to their places of worship Yet it is primarily men who have historically occupied the high rungs of church hierarchy and made the important decisions affecting their congregations Ann Braude examines the central role of women in American religious history focusing on their efforts to achieve greater recognition and equal rights their recent admission to religious leadership and the emergence of feminist theology in the late 20th century Colonist Margaret Winthrop African American preacher Jarena Lee Christian Science founder Mary Baker Eddy and Zionist leader Henrietta Szold are among the women discussed in these pages who have made major contributions to the spiritual and material growth of religious organizations in America ,

**OAH Annual Meeting** Organization of American Historians. Meeting,2008 **Sacred Pregnancy** Ann W. Duncan,2023-04-25 Sacred Pregnancy is part a retrospective on changing paradigms of and feminist discourse on motherhood part sociological study of changing religious demographics and understandings of religious experience in the United States and part exploration of the spiritual movements and spiritually guided reproductive health services that bring all these themes together Resting on the premise that motherhood in general and pregnancy specifically should not be brushed aside as beneath intellectual inquiry or as settled subjects Ann Duncan explores a new form of religious community a growing number of diverse movements that blend business with a spiritual approach to the reproductive health of women This new mode of spiritual ritual is centered not around a particular conception of the divine but by the shared experience of pregnancy and birth as sacred rites of passage and women s reproductive health as an avenue toward spiritual experience community and even economic opportunity These spiritual birth movements are an invitation to further investigate and understand not only the social construction of motherhood and the cultural understanding and practice of pregnancy but also the life changing experiences of pregnancy birth and motherhood and the concomitant desire for religious ritual in the lives of American women **Women's Roles in Twentieth-Century America** Martha May,2009-05-14 The twentieth century was a time of great transformation in the roles of American women Women have always worked and raised families but theoretically the world opened up to them with new opportunities to participate fully in society from voting to controlling their reproductive cycle to running a Fortune 500 company This content rich overview of women s roles in the modern age is a must have for every library to fill the gap in resources about women s lives Students and general readers will trace the development of American women of different classes and ethnicities in education the home the law politics religion work and

the arts from the Progressive Era to the new millennium The twentieth century was a time of great transformation in the roles of American women Women have always worked and raised families but theoretically the world opened up to them with new opportunities to participate fully in society from voting to controlling their reproductive cycle to running a Fortune 500 company This content rich overview of women s roles in the modern age is a must have for every library to fill the gap in resources about women s lives Students and general readers will trace the development of American women of different classes and ethnicities in education the home the law politics religion work and the arts from the Progressive Era to the new millennium Each narrative chapter covers a crucial topic in women s lives and encapsulates the twentieth century growth and changes Women s participation in the workforce with its challenges opportunities and gains is the focus of Chapter 1 The developing role of women and the family taking into consideration consumerism and feminism is the subject of Chapter 2 Chapter 3 explores women and pop culture and the arts their roles as creators and subjects Chapter 4 covers education from the early century s access to higher education until today s female hyperachiever Chapter 5 discusses women and government from winning the vote through the battle for the Equal Rights Amendment to Women s Lib and public office holding Chapter 6 addresses women and the law their rights their use of the law their practice of it and court cases affecting them The final chapter overviews women and religious participation and roles in various denominations An historical introduction timeline photos and selected bibliography round out the coverage

**Encyclopedia of Religion in America**

Charles H. Lippy,Peter W. Williams,2010 Explores the origins development influence and interrelations of the many faiths practiced in North America including major world religions and emerging sects cults and movements

*Her Story* Barbara

J. MacHaffie,2006 The Bible has been written translated and interpreted for centuries by men in cultures that were patriarchal In patriarchy women are subordinated within the gradations of a hierarchical society Material on women therefore has often been misinterpreted or overlooked In some instances generic nouns and pronouns in the original languages have been translated into English as masculine words A careful textual study must be made using all the available tools of biblical scholarship An accurate understanding of the meaning of words must be sought Also readers must try to discern the intentions of the author and try to gain a knowledge of the historical and social background of the biblical material The demands of God must be distinguished from the demands of a particular culture The bible as a whole makes it clear that God s people are to bring justice and wholeness to all human beings the injunctions that degrade women do not provide principles valid for every age of Christianity but instead reflect cultural situations in which men related to women through dominance The standard for the Christian community today should be the glimmers of female dignity and leadership that shine through the pages of the Bible

Aimee Semple McPherson and the

Making of Modern Pentecostalism, 1890-1926 Chas H. Barfoot, 2014-09-19 Pentecostalism was born at the turn of the twentieth century in a tumble down shack in a rundown semi industrial area of Los Angeles composed of a tombstone shop saloons livery stables and railroad freight yards One hundred years later Pentecostalism has not only proven to be the most dynamic representative of Christian faith in the past century but a transnational religious phenomenon as well In a global context Pentecostalism has attained a membership of 500 million growing at the rate of 20 million new members a year Aimee Semple McPherson born on a Canadian farm was Pentecostalism s first celebrity its female Billy Sunday Arriving in Southern California with her mother two children and 100 00 in 1920 Sister Aimee as she was fondly known quickly achieved the height of her fame In 1926 by age 35 Sister Aimee would pastor America s largest class A church perhaps becoming the country s first mega church pastor In Los Angeles she quickly became a folk hero and civic institution Hollywood discovered her when she brilliantly united the sacred with the profane Anthony Quinn would play in the Temple band and Aimee would baptize Marilyn Monroe council Jean Harlow and become friends with Charlie Chaplin Douglas Fairbanks and Mary Pickford Based on the biographer s first time access to internal church documents and cooperation of Aimee s family and friends this major biography offers a sympathetic appraisal of her rise to fame revivals in major cities and influence on American religion and culture in the Jazz Age The biographer takes the reader behind the scenes of Aimee s fame to the early days of her harsh apprenticeship in revival tents failed marriages and poverty Barfoot recreates the career of this called and driven woman through oral history church documents and by a creative use of new source material Written with warmth and often as dramatic as Aimee herself the author successfully captures not only what made Aimee famous but also what transformed Pentecostalism from its meager Azusa Street mission beginnings into a transnational global religion

*Mormon Women's History* Rachel Cope, Amy Easton-Flake, Keith A. Erekson, Lisa Olsen Tait, 2017-11-29 Mormon Women s History Beyond Biography demonstrates that the history and experience of Mormon women is central to the history of Mormonism and to histories of American religion politics and culture Yet the study of Mormon women has mostly been confined to biographies family histories and women s periodicals The contributors to Mormon Women s History engage the vast breadth of sources left by Mormon women journals diaries letters family histories and periodicals as well as art poetry material culture theological treatises and genealogical records to read between the lines reconstruct connections recover voices reveal meanings and recast stories Mormon Women s History presents women as incredibly inter connected Familial ties of kinship are multiplied and stretched through the practice and memory of polygamy social ties of community are overlaid with ancestral ethnic connections and local congregational assignments fictive ties are woven through shared interests and collective memories of violence and trauma Conversion to a new faith community unites and exposes the differences among Native Americans Yankees and Scandinavians Lived experiences of marriage motherhood death mourning and widowhood are played out within contexts of expulsion and exile rape and violence transnational immigration establishing civilization in

a wilderness and missionizing both to new neighbors and far away peoples Gender defines limits and opens opportunities for private expression public discourse and popular culture Cultural prejudices collide with doctrinal imperatives against backdrops of changing social norms emerging professional identities and developing ritualization and sacralization of lived religion The stories experiences and examples explored in Mormon Women s History are neither comprehensive nor conclusive but rather suggestive of the ways that Mormon women s history can move beyond individual lives to enhance and inform larger historical narratives

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sisters And Saints Women And American Religion Religion In American Life full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sisters And Saints Women And American Religion Religion In American Life eBooks, including some popular titles.

### **FAQs About Sisters And Saints Women And American Religion Religion In American Life Books**

**What is a Sisters And Saints Women And American Religion Religion In American Life PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sisters And Saints Women And American Religion Religion In American Life PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sisters And Saints Women And American Religion Religion In American Life PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sisters And Saints Women And American Religion Religion In American Life PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sisters And Saints Women And American Religion Religion In American Life PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader:

Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
