People fell in love with him but the government decided that being friendly with Luna was bad for him and tried to keep him away from humans. Policemen arrested people for rubbing Luna's nose. Fines were levied. Undaunted, Luna refused to give up his search for connection and people went out to meet him like smugglers carrying friendship through the dark. But does friendship work between species? People who loved Luna couldn't agree on how to help him. Conflict came to Nootka Sound. The government built a huge net. The First Nations members brought out their canoes. Nothing went as planned and the ensuing events caught everyone by surprise and challenged the very nature of that special and mysterious bond we humans call friendship. The Lost Whale celebrates the life of a smart, friendly, determined, transcendent being from the sea who appeared among us like a promise out of the blue that the greatest secrets in life are still to be discovered. **Keiko's Story** Linda Moore Kurth, 2000-01-01 After the success of the Free Willy motion picture, children across the nation began a movement to set the starring whale free, and this book captures the story of Keiko's release and the great new life he lives in the world's oceans. **Wild Orca** Brenda Peterson, 2018-09-18 A picture book homage to Granny, the world's oldest known orca who lived to be 105 years old.
