Six Degrees Of Lust By Degrees:

Six Degrees of Lust Taylor V. Donovan, 2020-04-20 New York City FBI team leader Samuel Shaughnessy lives for his immediate family and his job After a marriage gone wrong he has stuck to a firm rule when it comes to relationships he doesn't have them Sexually active and emotionally unavailable keeps him satisfied especially now that he is in hot pursuit of a serial killer targeting gay men Machlan O Bannon manages a successful sports bar in Houston and after years of waiting he's ready to stand up and be the man he always wanted to be out proud and drama free His politically aligned family wants to keep him locked in the closet but Mac just wants to be true to himself and live his own life One man is as high strung as the other is laid back A chance meeting brings them together and one night of passion ignites a fire neither can fight Their lives are not only miles apart but as different as day and night They don't want to get involved but they might not be able to keep apart

Six Degrees of Separation Taylor V. Donovan, 2020-04-20 In the sequel to *Six Degrees of Lust* F B I team leader Samuel Shaughnessy and bar manager Machlan O Bannon are exploring a new phase in their non relationship The intention is to take it slowly but power plays are still their favorite activity and it isn't long before lines begin blurring After ending their friends with benefits agreement no rules are left in place to guide them and soon enough the only thing that's clear is that neither man is fighting hard enough to reestablish the boundaries Their particular situations haven't improved in the three months since their first encounter Sam is still focused on his immediate family issues and everything indicates Mac will have to go to war with his own family before he can reclaim his freedom The last thing they need is additional complications But when the opening of a night club brings Mac to New York City and a break in the Leviticus investigation leads Sam to Houston they discover how closely their worlds have been connected from the very beginning Hiding from the life altering collision is not an option Will they take the easier road and go their separate ways or will they come to terms with their past and take a chance on each other By Degrees is an ensemble serial with continuing story lines *Six Degrees of Separation* is the second installment and it must be read after *Six Degrees of Lust*

The Feeling Clayton Tylor, 2017-05-19 This book is an Esoteric interpretation of Emanuel Swedenborg's spiritual writings It is written from a sinner's perspective as a personal memoir meant to impart spiritual guidance by example It is a hands on self help book on how to birth the Divine Feminine Essence of Love from within The author traces the Divine back to its original source as Essential Love and Essential Innocence which begins in the body as a sensual feeling of love and through the process of regeneration it becomes the Word of God Then by sharing the spiritual feeling of the Word as love it becomes a blissful union with the Divine within as the feeling of the New Church The New Church is the perception of an influx of spiritual love flowing from within as happiness For when the feeling of love from a sensual life has been transformed into the spiritual feeling of love and when done on a mass scale it ultimately manifests as the Brotherhood of Mankind as the feeling of Heaven on Earth
