Sixty Years Behind The Mast:

Sixty Years Behind the Mast Edward Carus, 2021-06-29 Although the theme of *Sixty Years behind the Mast* is sailing blue water cruising in particular it is much more than just about sailing First it is hoped the book will be added to the libraries of many blue water sailors For example on the author's forty foot yacht AEOLUS its library included three or four dozen sailing books including Joshua Slocum's *Sailing Alone Around the World* 1894 and Richard Henry Dana's *Two Years Before the Mast* 1840 Dana's book is an excellent description of the eighty four foot Boston brig PILGRIM trading with the ranchers in Alta California in the 1830s A good library consisting of many other well known sailing adventure stories is essential on a cruising yacht Second *Sixty Years behind the Mast* also should be included in the libraries of armchair adventurers who dream of making voyages to the distant islands in the South Pacific The romantic South Pacific is famous for its out of the box authors artists beachcombers lone sailors and scallywags such as Robert Louis Stevenson In the South Seas James Michener Tales of the South Pacific impressionist painter Paul Gauguin who lived out his tragic life on Hiva Oa an island of the Marquesas Archipelago and American musician Eddie Lund and his Tahitians sometimes referred to as the Irving Berlin of island music The Romance of the South Pacific was also well illustrated by famed film director John Ford's movie *The Hurricane* 1937 starring Dorothy Lamour and Jon Hall Third *Sixty Years behind the Mast* is a good reference manual for parents who have adolescent children Several weeks even just one week of blue water sailing on a small boat is an amazing way to help children successfully navigate the rite of passage from adolescence to adulthood Cruising motivates a person to become self reliant builds self confidence enhances compassion helps develop the skills required for effective teamwork and leadership and makes one more sensitive to nature and sympathetic to the environment *Waverley; or 'Tis sixty years since* sir Walter Scott (bart.), 1882 **Hearings Before Committee on Naval Affairs of the House of Representatives Sixty-Sixth Congress Second Session**, 1920

Sixty Years Behind the Mast Gordon K. Douglass, 1986 The reader is introduced to a colorful energetic man who has lived his life in pursuit of excellence a man unafraid of innovation How he developed his hobby into a distinguished lifetime career of designing building small sailboats acclaimed for their daring conception excellence of construction makes fascinating reading for readers of all ages diverse interests
