Skills With People Les Giblin:

Skill With People Les Giblin, 1968-01-01 Are you having problems with the boss Wishing you could be a better spouse Not communicating well with your employees Having trouble building business relationships Or would you just like to improve your people skills and your ability to make strong lasting impressions on the men and women you meet every day The solution is Skill With People Les Giblin s timeless classic has what you need to get on the fast track to success at home at work and in business Life lessons from the Master of basic people skills Described as the most wisdom in the least words Skill With People has sold over 2 Million copies and has been translated into 20 languages Credited with transforming the lives of its many readers Skill with People is a must have for everyone s personal library Communicate with impact Influence with certainty Listen with sensitivity Skill With People shows you how **The Art of Dealing With People** Les

Giblin, 2001-01-01 What is the one quality that all successful people have in common They have mastered the art of dealing with people Let this book show you how to Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more Skill with people is the one essential ingredient for success and happiness at home and in business The Art of Dealing With People gives you the skills to take your people skills to a level that you never thought possible Skill in human relations is similar to skill in any other field in that success depends on understanding and mastering certain basic general principles You must not only know what to do but why you re doing it As far as basic principles are concerned people are all the same Yet each individual person you meet is different If you attempted to learn some gimmick to deal successfully with each separate individual you met you would be face with a hopeless task Influencing people is an art not a gimmick When you apply gimmicks in a superficial mechanical manner you go through the same motions as the person who has a way but it doesn t work for you The purpose of this book is to give you knowledge based upon an understanding of human nature why people act the way they do The methods presented in this book have been tested on thousands of people who have attended my human relations seminars They are not just my pet ideas of how you should deal with people but ideas that have stood the test of how you must deal with people That is if you want to get along with them and get what you want at the same time Yes we all want success and happiness And the day is long past if it ever existed when you could achieve these goals by forcing people to give you what you want And begging is no better for no one has respect for or any desire to help the person who constantly kowtows and literally goes around with his hand out begging other people to like him The one successful way to get the things you want from life is to acquire skill in dealing with people Download now and you will learn how **How to Have Confidence and Power in Dealing with**
