

# TOP 3 TIPS FOR A PERFECT COVER LETTER

1

## **Make it easy to read (and match it with your resume)**

**Font:** Choose one of our recommended resume fonts. Don't set the font size below 12 points. **Margins:** Set your cover letter's margins to 1" or 1.5". Depending on how long or short your cover letter is, you should play with the margins.

2

## **Keep it to a single page**

Hiring managers are pressed for time. They won't read a multi-page cover letter — its very length would indicate that you're a rambling, imprecise, and therefore unappealing candidate anyway.

3

## **Write unique cover letters for each company**

Every company has a unique problem they're trying to solve through hiring. Even if you're sending out several applications for the same position, tailor your cover letters to individually address each company's problems.
