symbol of postmodernity? Tobias Henze,2013-03-20 Seminar paper from the year 2011 in the subject Cultural Studies Miscellaneous grade 8 5 Maastricht University language English abstract It is the world s largest social network Stross 2010 connecting over 600 million users from more than 200 countries on an Internet page that was founded just 7 years ago Socialbakers 2011a The founder Mark Zuckerberg was named person of the year 2010 Grossman 2010 by Time magazine and is ranked number 40 on Forbes list of the world s most powerful people with a net worth of approximately 13 5 billion Forbes 2011 Facebook the social network this paper is dealing with has become part of the daily routine of many users

sometimes influencing their purchase decisions or even the way they perceive and see the world Moreover it has become an Internet brand which can now be regarded to be on an equal level with Amazon eBay or Google Without doubt Facebook has to be regarded as an important feature of growing inter connectivity which was made possible through the rise and spread of the Internet The social network enables people to get in touch with each other find so called friends all over the world and to create a personal profile representing the user within the Facebook network Facebook s self stated mission is to give people the power to share and make the world more open and connected Facebook 2011 Of course this mission is not a revolutionary new idea in the World Wide Web as several social networks and micro blogging websites like MySpace LinkedIn or Twitter show Still Facebook is the most widely known preferred and fastest growing social network of today s world As a matter of fact it is also often claimed to be the most influential social network Brennan Schafer 2010 p 19 of our times
