Reddit Pro Stagram Picks Best:

Disconnected Milan Frankl, 2025-02-25 Disconnected Exploring the Decline of Social Networks examines the future of social networks highlighting their transformation from community builders to sources of misinformation and frustration Using interdisciplinary insights it uncovers the complex interplay of technological social and cultural factors behind this shift It discusses the impact on individuals businesses and society proposing pathways to a healthier digital environment The book delves into the fascinating journey of social networks tracing their evolution from tools that fostered community building to platforms that can sometimes spread misinformation It explores how privacy issues are crucial in shaping user experiences and trust Disconnected also examines the phenomenon of algorithmic polarization where algorithms create echo chambers and contribute to the spread of disinformation The author explores the social and cultural factors that influence social networks Additionally he includes case studies that highlight the real world impacts of social networks on individuals businesses and society as a whole Readers will discover practical solutions that offer pathways to creating a healthier digital environment enable recognition of misinformation and privacy issues more effectively as well as gain strategic insights that will help navigate and influence the future of social networks Photography for Architects Martine Hamilton

Knight, 2024-01-19 Shortlisted for the Architectural Book Awards 2024 We live in a world driven by images but with so much visual noise is anyone really looking How does an architect ensure their portfolio is within view of the right audience Photographs are still as vital to architectural practice as they ever were However creation and circulation once in the hands of skilled professionals is now perceived as being free and within easy reach of all But where is the clarity What is the message By setting out the case for curated image making considered photography may again be placed at the centre of architectural marketing strategies Photography for Architects guides the reader through various topics from establishing a visual brand and sharing images online to producing content in house and commissioning professionals It explores the still and moving image creating books and exhibitions for legacy value compiling award entries and engaging with trade press Little understood aspects regarding legal rights and obligations ethics copyright and licensing images for use are discussed in clear language Multiple photographic examples and conversations with international practitioners highlight the various themes throughout Written by a working architectural photographer whose life has been spent in commercial practice this easy to read richly illustrated guide is essential reading for architects and designers alike who are working with images and image makers **Conversations About Visiting and Managing the National Parks** Robert E. Manning, Elizabeth E.

Perry, 2024-12-11 As the popularity of the national parks grows so do the challenges of visiting and managing them This innovative book uses crowdsourcing postings by park visitors on a range of social media sites to start 100 conversations on issues associated with visiting and managing the national parks The authors then use their experience and expertise to prepare short plainspoken and engaging essays that respond to the postings and complete the conversations The book is

written for park visitors managers and students This inventive thoughtful and inviting book addresses a wide range of national park related issues guides readers on how to more effectively plan and conduct their national park visits informs park planners and managers about what visitors think about the parks introduces the latest scientific and professional information on park management helps prepare students for careers in park management and enhances public appreciation and protection of the national parks
