Matters for Health and Happiness Among the Older Adults in Asia Nai Peng Tey, Halimah Awang, Shekhar Chauhan,2024-03-11 People want to live a healthy and happy later life A large body of literature shows the close association between health status and happiness and between health and active engagement in work exercise and social and religious activities However the causation between the two can run both ways and it is difficult to determine the causal effect with cross sectional data Various authors have shown the significant influence of socioeconomic factors and human needs on older people's health status and happiness A better understanding of the factors affecting healthy and happy aging is essential for policymaking to improve the well being of older people The availability of data from HRS family studies in several Asian countries CHARLS in China LASI in India JSTAR in Japan KLoSA in Korea IFLS in Indonesia HART in Thailand MARS in Malaysia and Longitudinal Study of Ageing and Health in Viet Nam see Gateway to Global Aging Data provides an excellent opportunity for researchers to examine factors affecting health and happiness among older adults within and across Asian countries This research topic aims to gather papers that investigate the socioeconomic attitudinal and behavioural factors affecting the health status and happiness life satisfaction of older adults in Asia The dependent variables may include physical health mental health disability ADL IADL cognitive functioning self rated health health expenditure feeling of happiness and life satisfaction The independent variables may be age gender marital status place of residence educational level active engagement work exercise social and religious activities family and social relationship and support outlook in life smoking drinking and access to and utilization of healthcare services etc Manuscripts can be based on individual countries or cross country analysis preferably using the panel data to establish the causal effects of the independent variables on the dependent variables Smart Home Cathy Young,2019-07-21 Like death and taxes you simply cannot avoid IoT It is

everywhere To use a ten dollar word it is simply ubiquitous Love it or hate it the choice is yours Either way get comfortable with it and understand it I think you'll come to love it once you embrace how it works and how you can make it work for YOU We think in terms of Smart Homes but with the advent of cybernetics that includes digital assistants cloud services and personal medical devices to name a few our Internet of Things is unique My Internet of Things includes a wide variety of emerging technologies Examples include voice controlled virtual assistants robots smart thermostats and blinds and unifying platforms like SmartThings and IFTTT if this then that In my home I incorporated a combination of these things selecting what I felt was the best product for each task some overlap The technology is futuristic and frankly cool but it required me to change the way I interacted with the world around me Once my smart home was set up the way I wanted I had to be mindful that it was there to help me albeit not necessarily on my terms I had to learn how to interact with my virtual assistants That journey is still unfolding and I expect both my smart home and IoT to keep expanding and improving as we add more things This book started simply as the notes I kept during my recent personal experience with selecting and setting up smart home devices for a new house The scope of this book is broad because the technology isn't just one smart home device it's all around us in our day to day lives For that reason I've included a lot of information on smart applications mobile operating systems cloud services and how they overlap and share data While researching the project my husband and I read a plethora of reviews from folks like us real people that is Some reviews were admittedly more insightful than others but we gained valuable insights into what to avoid what questions to ask and we found some great ideas If you are a DIY type or just want a general idea of what is going on with smart homes this book will show you a bit of what is possible By the end of this book indeed I hope that you will be comfortable in the Internet of Things or IoT world of connected devices virtual assistants skills connected apps or IFTTT applets Chapter 3 outlines the basics of the technology behind IoT and then Chapter 4 discusses ideas for setting up a smart home Chapter 5 moves beyond smart home devices and covers apps cloud services and sharing data Smart home solutions are discussed in Chapters 6-9 Chapters 10 and 11 deal with virtual assistants like Siri Alexa or Google Assistant Smart apps are discussed in Chapter 12 As you go through the chapters you will learn the terminology and what really matters when buying equipment In case you're like me and like to skip around as topics interest you the Table of Contents is organized so you can quickly find what you're looking for Now let's get started and show you how to Select good equipment and plan for future growth Set up and connect everything Integrate apps and systems Maintain your smart home

Left to Their Own Devices Julie M. Albright, 2019 Digital natives are hacking the American Dream Young people brought up with the Internet smartphones and social media are quickly rendering old habits and norms a distant memory creating the greatest generation gap in history In this eye opening book digital sociologist Julie M Albright looks at our device obsessed society and the many ways in which the post World War II American Dream is waning for the Millennial generation Albright notes that in the former age of traditional media dominated by three major TV networks and the national

print media values were more harmonized and time synchronized Today with a deluge of information available 24 7 we are experiencing a sort of digital tribalism with people coalescing inside of increasingly fragmented informational echo chambers Digital media allows bad actors to enlarge the rifts between these siloed tribes in divide and conquer fashion frothing up fears by propagating fake news and fake people online What are other effects of hyper connectivity coupled with disconnection from stabilizing social structures Albright sees both positives and negatives On the one hand mobile connectivity has given digital nomads the unprecedented opportunity to work or live anywhere On the other hand new threats are emerging including cyberbullying and the ability to radicalize marginalized youth decreased physical exercise increased isolation anxiety and loneliness ephemeral relationships fragmented attention spans lack of participation in community activities and the political process and detachment from the calm of nature or the refuge of religion In this time of rapid global technologically driven change this book offers fresh insights into the effects of always on devices on the family community business and society at large Ainslee's ,1913 *History of the Ohio State University* Ohio State University,1926 **The Sunday at Home** ,1870 *Farmer's Advocate and Home Journal* ,1918 Chorus Gems ,1876

Life ,1929 The Ohio State Phoenix ,1922 **The British Workwoman Out and at Home** ,1863 *Sylvia's Family Soul Food Cookbook* Sylvia Woods,1999-06-23 Sylvia s Family Soul Food Cookbook begins as Sylvia recalls her childhood when she lived with both her mother and her grandmother the town s only midwives The entire community of Hemingway South Carolina shared responsibilities helped raise all of the children and worked side by side together every day in the bean fields Perhaps most important the community shared its food and recipes When Sylvia set out to write this cookbook she decided to hold a cook off back home in Hemingway at Jeremiah Church Family and friends of all ages shared their favorite dishes as well as their spirit and love for one another The recipes offered at the cook off were then compiled to create this incredible collection along with many of Sylvia s and the Woods family s own recipes Here are the kinds of recipes you d find if you visited the Woods family s home Sylvia s daughter Bedelia is well known for her Barbecued Beef Short Ribs which are as sassy and spicy as Bedelia herself Kenneth Sylvia s youngest son has loved to fish ever since he was a child spending his summers by the fishing hole in Hemingway Now Kenneth s son DeSean enjoys fishing too Kenneth s Honey Lemon Tilefish DeSean s favorite is just one of Kenneth s special recipes presented here And there are many many other wonderful dishes too In this remarkable cookbook Sylvia has gathered more than 125 soul food classics including mouthwatering recipes for okra collard greens Southern style pound cakes hearty meat and seafood stews and casseroles salads mashed potatoes macaroni and cheese and more These recipes are straight from the heart of the Woods community of family and friends Now Sylvia gives them to you to share with your loved ones Bring them into your home and experience a little bit of Hemingway s soul *Better Homes and Gardens* Chesla Clella Sherlock,1960 **Straits Produce** ,1928 **Atkinson's Evening Post and Philadelphia Saturday News** ,1957-09
