Red Zone Peter Hartcher, 2021-05-24 What does China want from Australia In this incisive and original book Peter Hartcher reveals how decades of economic dependence left Australia open to the strategic ambitions of the most successful authoritarian regime in modern history He shows how ideology paranoia and Xi Jinping's personal story have reshaped China and shines new light on Beijing's overt and covert campaign for influence over trade and defence media and politics Australia has now woken up to China's challenge from passing foreign interference laws to banning Huawei from our 5G network But at what cost Will we see a further slump in relations How best to protect our security economy and identity Drawing on interviews with Scott Morrison Malcolm Turnbull and other key policymakers as well as a rare interview with Australia's spy chief Red Zone is a gripping look at China's power and Australia's future Australia is on the front lines of the global struggle between China and the West over democratic values and Peter Hartcher one of the country's foremost journalists presents a clear eyed and utterly frightening account of the challenge we face Highly recommended Francis Fukuyama Hartcher's analysis of Australia's place in the world is sharp and tenacious He continues to make an outsized contribution to our democracy Penny Wong Hartcher's clear eyed analysis of the Australia China relationship is as keen as it is unsettling
