What Readers Do Beth Driscoll, 2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry digital environments and each other. We live in an era when book clubs bibliomemoirs Bookstagram and BookTok are as valuable to some readers as solitary reading moments. The product of nearly two decades of qualitative research into readers and reading culture What Readers Do examines reading through three dimensions aesthetic conduct moral conduct and self care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism. Analyzing reading as a post digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history literary studies sociology and actor network theory. Arguing for the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read.

Social Reading Cultures on BookTube,

Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media and cultural studies as well as teachers and professionals in the book and library industries.

Child as Citizen Giuliana Fenech, 2025-08-15 Contributions by Daniela Brockdorff, Nina Christensen, Jill Coste, Katrin Dautel, Justyna Deszcz, Tryhubczak, Giuliana Fenech, Naomi Hamer, Irena Barbara Kalla, Anne Klomberg, Sonali Kulkarni, Elizabeth Leach, Leung Ann, Marie Murnaghan, Emily Murphy, Emilie Owens, Nicola Parker, Patrycja Poniatowska, Meg Rosoff, and Farriba Schulz. *Child as Citizen: Agency and Activism in Children's Literature and Culture* addresses children's and young adult agency and activism across literature and culture demonstrating how these forces influence child citizenship. Contributors to this volume highlight the agentic voices and activist practices that are growing across all spheres of young people's lives as well as the challenges to active citizenship that children growing up in unjust sociopolitical contexts face. The volume is interdisciplinary and draws on the sociology of childhood, children's literature studies, youth culture studies, media technology and cultural studies, and Anthropocene, ecofeminist and disability studies. Agency occurs in and around literature and storytelling and this collection establishes how it is always influenced by identity as well as geopolitics, how it is both subjective and collective, how it is cultural and embodied, and how like citizenship it is not a static status but rather an ongoing negotiation. In this collection contributors invite readers to consider agency as a system of relations between children themselves, between children and adults, children and institutions, and children and nation states, as well as between children and the nonhuman. This book reviews the interconnectedness between these relationships and attempts to untangle some of the complications that emerge.
