**The Harms of Beauty** Sam Barnes, 2025-04-30 The beauty industry thrives on creating a sense of dissatisfaction with appearance with social media adding pressure to conform to idealized images of beauty This has led to a growing use of products for bodily improvement such as facial injectables and weight loss drugs which have arguably become increasingly normalized throughout society This groundbreaking ethnographic study lifts the lid on the dark side of beauty revealing why young people are willing to inflict self harm in the pursuit of perfection and exploring the motivations for using buying and selling counterfeit beauty products and services

*The Influence of User-Generated Content on Brand Trust and Consumer Purchase Intentions* Uju Ogu, 2025-09-24 Essay aus dem Jahr 2019 im Fachbereich BWL Customer Relationship Management CRM Sprache Deutsch Abstract This study investigates the multifaceted relationship between User Generated Content UGC brand trust and consumer purchase intentions In an era dominated by digital communication traditional marketing messages are increasingly challenged by the authenticity and influence of content created by consumers themselves This paper employs a comprehensive meta-analysis of existing academic literature industry reports and publicly available data to synthesize key findings and identify overarching trends The research aims to answer the following questions 1 How does UGC impact the level of trust consumers place in a brand 2 What is the relationship between brand trust and subsequent purchase intentions in the context of UGC 3 What factors moderate the effect of UGC on consumer behavior The findings suggest a strong positive correlation where UGC significantly enhances brand trust which in turn leads to a higher likelihood of purchase However the study also reveals that the impact of UGC is moderated by factors such as the type of content e.g reviews vs social media posts the perceived authenticity of the creator and the product category This research contributes to the marketing management literature by providing a synthesized view of the current state of knowledge and offering practical implications for marketers seeking to leverage the

Instagram Secrets Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user

hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts. They'll be shown timely content that matters to them. Interest: This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in. Relationships: Instagram knows what photos users tag and where they comment. So if a user has interacted in some way with certain brands in the past, they are far more likely to be served content from that brand or similar brands in the future. For marketers, this is a great thing. It means that as Instagram learns more about your brand, your posts and advertisements are more likely to get in front of your niche or target audience. A few notes about Instagram Shopping: With the release of Instagram Shopping in late 2016, Instagram literally turned their platform into an online marketplace. While it is still a common practice to include website links to your business site and even to a product page, now it is possible to allow the customer to transact directly on the Instagram platform. For businesses that want to enable the Shopping capability, they need to meet the following requirements: You must have an Instagram business profile. That business profile needs to be connected to a Facebook catalog. Your company's registered headquarters location must be located in one of the Instagram-approved countries. Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram. As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing, we will not be providing a deep dive of the Instagram Shopping capability. *Instagram for Sales* Josué Matos, The digital world has revolutionized the way we connect, consume, and conduct business. It has never been more evident that social media platforms are far more than spaces to share moments; they are powerful tools for selling products, building brands, and reaching customers in ways previously unimaginable. Among these platforms, Instagram stands out with its visually driven approach, interactive features, and highly engaged audience. This book is the first in a series that delves into maximizing the potential of major social platforms for sales. In *Instagram for Sales Strategies to Convert Followers into Customers*, you'll find a comprehensive, practical, and accessible guide tailored for both beginners and seasoned entrepreneurs looking to expand their online businesses. Divided into five detailed sections, the book covers everything from the basics of creating a professional profile to advanced sales and growth strategies. Each chapter is designed to provide actionable tips and clear insights supported by real-world examples and case studies. Starting with Instagram was no coincidence. It is a platform that combines accessibility with immense potential for engagement and conversion. With features like Stories, Reels, and Instagram Shopping, it offers entrepreneurs the opportunity to build a compelling and highly profitable digital presence. Throughout this book, you'll learn to master these tools, turning followers into loyal customers and brand advocates. This project marks the beginning of a broader journey. Upcoming volumes will explore specific strategies for TikTok, known for its creative dynamism and viral reach, and Facebook, renowned for its robust and established approach. Each book will offer an in-depth, targeted analysis to ensure you're equipped to maximize your digital presence across any platform. I am Josu Matos, a Brazilian who found a new home and inspiration in Portugal. With a Bachelor's degree in Advertising, Marketing, and Public Relations in progress and over a decade of experience working with

online platforms like YouTube Facebook Instagram and TikTok I've dedicated myself to transforming knowledge into practical tools for entrepreneurs In 2023 I had the opportunity to travel to Northern Ireland where I was enriched by its culture and insights into digital business In 2024 additional travels across Southern Canada and the Northern United States further broadened my global perspective and skills directly contributing to the development of this book As the author of more than 50 books including Rich Uncle Poor Nephews and The Art of Reinvention my goal is to share effective strategies to help you thrive in the competitive digital landscape In this book you'll discover How to create an attractive and strategic professional profile Ways to use visual content Stories and Reels to capture your audience's attention Strategies for direct sales live sessions and launch campaigns Techniques for analysis and optimization to drive continuous growth If you're ready to transform your presence on Instagram into a sales powerhouse you've come to the right place Let's explore the limitless possibilities of this platform together and take your business to new heights
