Inside Book Publishing Angus Phillips, Giles Clark, 2025-02-28 Now fully revised and updated for its seventh edition Inside Book Publishing is the classic introduction to the book publishing industry The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing and sales Angus Phillips and Giles Clark offer authoritative and up to date

coverage of all sectors of the industry from commercial fiction to educational publishing and academic journals. They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth in audio. The topics explored include AI, social media in marketing, sustainable book production, open access for research and diversity, equity and inclusion. International case studies from industry experts give perspectives on, for example, comic books, children's picture books, women in Indian publishing and the Korean literary wave. As a manual for those in the profession and a guide for the publishers of the future, this book remains a seminal work for anyone with an interest in the industry. It will also be of interest to authors seeking an insider's view of this exciting industry. The book is supported by online resources including a glossary, a further reading list and links to a range of online resources available at www.routledge.com/9781032516554

Selling Rights Lynette Owen, 2024-07-08 Now in its ninth edition, *Selling Rights* has firmly established itself as the leading guide to all aspects of rights sales and co-publications throughout the world. Covering the full range of potential rights from English language territorial rights through to serial rights, permissions rights for the reading impaired, translation rights, dramatization and documentary rights, electronic and multimedia rights, this book constitutes a comprehensive introduction and companion to the topic. Besides individual types of rights, topics covered also include book fairs, Open Access, the ongoing impact of new electronic hardware and the rights implications of acquisitions, mergers and disposals. This fully updated edition includes New IP legislation and proposed legislation in the UK and the USA, including changes regarding TDM and the post Brexit implications of EU directives and exhaustion of rights. The implications of artificial intelligence AI for author contracts and licensing contracts, The impact of the pandemic and its aftermath on the promotion and sale of rights, Coverage of censorship in countries around the world, especially in relation to LGBTQI content, as well as political situations which have impacted on rights trading. The impact of streaming services on opportunities for licensing television and film rights. Major revisions to the chapters on audio and video recording rights, the internet and publishing, and electronic publishing and digital licensing. *Selling Rights* is an essential reference tool and an accessible and illuminating guide to current and future issues for rights professionals and students of publishing.
