Barton, 2022-04-13 Quincy watched the woman move through the crowd He couldn't put his finger on it but something just felt off She was too close to the man in front of her not to be with him When the man purposefully stepped out in front of an oncoming truck it was all Quincy could do to stop her from the same fate She was deaf Her scent was familiar but she wasn't his mate Grace was upset with Quincy but didn't know why She was thankful that he saved her sister but she felt pissy and needed to take it out on someone and he made a good target But when he didn't retaliate she regretted her actions It didn't take but a second for Quincy to figure out that Grace was his mate But would she be as happy about it as he was Only time would tell **Ruby** Kathi S. Barton, 2015-02-20 Ruby Erickson was the best OR surgeon the small hospital had Management had mandated that the doctors were to turn away any people for treatment that couldn't pay Under strict orders to follow the rules or else Ruby operated on the young woman anyway She'd never live long enough to survive the trip to County Josh Ewing was suffering from a bad breakup He had moved to the small town to get away from his cheating ex girlfriend and former best friend and partner His sister Bri was here and was all he had left in way of family When Bri comes up missing Josh is beside himself with worry He finds his sister in a small hospital listed as a Jane Doe in critical condition When he finds out that the doctor who saved her life had lost her job because she didn't turn his sister away he wants to do all he can for her She cut Josh off with a finger punching to his chest You're damn right I saved her life And do you think that because you put money in my account or

paid nearly a hundred grand to my loans that I m somehow going to be beholden to you You fucking bastard take it back All of it right now Josh shook his head and braced his arms over his chest as if to do battle Quentin took a step back now He wasn t stupid You heard me I want you to take back that money now or so help me you re going to need it for your own hospital bills Even if I could which I don t care if I can or not I won t do it You risked a great deal to save her life and I pay my debts Ruby growled and took another step toward Josh It took Quentin several seconds to realize that something had happened in that short period of time Ruby didn t have time for a mate not now not ever Josh wasn t happy about it either but discovered once he got past her stubborn surface that she really was a rare gem But trouble doesn t elude them for long That ex girlfriend of Josh s was into some heavy stuff things he didn t know about things that could get them all killed things that put them all on the radar of the wrong people

**Sweet Tempo** James P. Kain,2009-05-11 From the Prologue of Sweet Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up

*Galin* Kathi S. Barton,2014-10-26 Galin knows it s his turn and he isn t having any part of it He makes no bones about making it clear to Boss either that he both knows what he is up to and isn t going to cooperate He doesn t now or ever want a wife This boy you are going to protect is somewhat of a problem child He has had a great deal thrown at him but Boy Boss nodded and frowned No I m sorry but it should be a woman not a boy I m not you re going to assign me my wife to care for I don t want one but I

**Dallas** Kathi S. Barton,2023-11-20 From the moment Amy found out her brother was running for the presidency of the United States she moved out of the family home and changed her last name She loved her brother but she didn't love the limelight All she wanted was freedom The freedom to live her life the way she wanted without being in the shadow of the Secret Service all the time Taking pictures was her passion and that's what she would do and no one would stand in her way Amy had taken a lot of great shots of the animals at the zoo but if one more person asked her if she had permission to be there she would scream She just about had her camera in focus when another zoo employee approached her He introduced himself as Dr Dallas Dixon and instead of being upset with her he wanted her to take some pictures of a gorilla who had just given birth but the baby wouldn't live It didn't take long for Amy to realize that Dallas was a shifter and silverback to his troop You're the silverback The leader to her I don't know how that works but you're a shifter Gorilla shifter and leader That's why that other man said that you could order her to do Christ oh mighty Oh fucking no She turned her entire body and looked at the man sitting not ten feet from her You are not telling me that you have it in your impossibly small mind that I'm whatever they call a silverback's mate are you No Don't answer that I don't need to nor do I want to know

**Sweet Revenge** Nita P Amos,2022-04-18 It all began with a simple Hi Before she answered she checked his profile page He was gladly married A dad It required her days to answer At the point when it came it was an inquiry What is it that you need Before she could drop her telephone on the table A message sprung up It was him Hello good day I simply need to talk with you yet I can only do that when you are less busy You let me know when you are less busy gorgeous lady She sent him emoticons Here Utilize this Call your wife and talk with her And I can see you are married as well We sure realize marriage doesn't restrict friendship my dear She sent him an answer It was underbred Satisfy I'm not fascinated I'm a married woman Take a look at my profile Hi Get that into your skull The following message was quiet and straightforward OK If it's not too much trouble pardon me In any case I like you simply need to have a straightforward talk Not after I screen capture your chat and post it on my wall I should ensure it gets to your better half This is the way you men continue slipping into ladies inboxes deluding them Imbecile He read the message No reaction In any case he was amazed it got to that She did as she said At the point when she did he had proactively gone disconnected She labeled him in the screen capture with inciting subtitles Furthermore it some way or another showed up on his wall Remarks flew That very day his better half was somewhat exhausted with work at the workplace she got her PC from the work area and opened it endorsed on Facebook The principal thing she saw was the disgrace on her husband's wall Stunned She gulped No spit outrage grasped her so awful that she needed to close her PC with a noisy bang An amazing possessive spouse A controlling and forceful spouse She got back home unsmiling face not surprisingly He was in the front room in boxers relaxing on the futon Sitting in front of the TV She remained behind him watching him Infuriated Is that the way you disgrace me in public Married women Has it gotten to

that Are you nuts He squirmed and looked behind to see his better half standing there In the suit tote close by Harsh look He was befuddled attempting to sort out what prompted all that Hon what s up She disregarded him and went directly to the main room A bashful quietness He thought no sign He believed on the off chance that they battled in the first part of the prior day she left for work there was no battle he contemplated internally as he wavered He was profoundly stressed that his better half would be so irate this way that there is an off base thing He had never contemplated his talk with a friend on Facebook It had never entered his thoughts even once However at that point he signed in to his Facebook account to engage himself Blast Notices talk springing up From the outset he was confounded What is happening Before he went through the wall with his friends Goosebumps Hello brother I comprehend how you feel I know it s not what she thinks Do well to remove yourself from the post Another talk Brother are you there remove yourself immediately before your dear spouse sees that post It will be a debacle Hi What is this I am seeing on your wall He went directly to his wall to see with his own eyes He was perturbed and devastated Then amazed He then almost cried as he read the inscription this is the manner showed guileless young ladies Assuming this simpleton is your husband I m advising you to take off from his home before he brings ladies into your home Improper he goat I cautioned you      **Ethan** Kathi S. Jennifer Hale had been in the hospital handcuffed to the bed for five days The winged man standing guard had not left her side since she d been brought in and the fact that no one else could see him gave her the willies The man robbing the diner where Jenny worked had shot her in the leg and then she had killed him with his own gun It was kill or be killed but the local authorities hadn t seen it that way until now They were releasing her and as of now she had no job and no home to return to Valyn the Slayer was just tired He had just one desire to be put to sleep for an eternity Ever since he d lost his small charge the simple act of living seemed too much for him He had only looked away for a moment now she was gone and he blamed

himself And now Boss was telling him his mate was here She s a lovely girl Broken too if you want to know the truth of it Perhaps you ve heard her mentioned She s the woman that saved that diner full of patrons about a week ago He d heard of it but didn t know her name The bill collectors are hounding her hourly However they are not putting the calls through to her room at the hospital for fear of upsetting her She s made some very good friends while staying there What happened to her Boss told him what she d done and how she d been shot And the bill collectors Why are they hounding her I m assuming that she has debt but it s more than that isn t it Yes she s now homeless and jobless Also with this other business of the credit card there is no way that she can make anything work out right for her Not without a great deal of help Valyn sat down on the wire wheel that had been left behind when the house had been rewired Valyn you told me that you were broken and why you thought so But this woman she can help you in ways that I cannot You could if you would just put me to sleep Boss shook his head What if I don t go and see her Don t take her as my mate Because I don t think my life could be any better to have her with me I m not good around people anymore I don t want to have someone depending on me for their wellbeing It s too much

**Faeheart** Blake R Wolfe,2025-10-02 A sheltered witch A reckless Fae A bond they never wanted and a passion they can t escape Wild Rules I don t follow them Hearts I don t keep them I live for the chase for the thrill of taking what I want and leaving before anyone gets too close As a Fae passion is my power and at Widdershins Academy where magic pulses in every shadowed corridor I have my pick of lovers Then there s Elias Thorne Sweet quiet untouchable Elias the witch with too much potential and too little confidence He s the only one who has ever dared to look at me like I m dangerous instead of desirable The only one who doesn t melt under my charm And for some reason that makes me want him even more But Elias isn t interested in my games He sees through the mask past the wicked smirk to the part of me I don t want to acknowledge And that terrifies me I don t do commitment I don t do love But Elias is different and I can t tell if he s my greatest weakness or my only salvation When a magical accident binds us together things get dangerous Because at Widdershins Academy witches and Fae aren t compatible but now that we re bound together neither of us has a choice Elias I ve spent my life hidden behind spellbooks and expectations The son of a prestigious coven I was raised to be polite reserved and obedient everything Wild is not He s reckless untamed a storm wrapped in silk and sin And he infuriates me He pushes I retreat He flirts I ignore But somehow Wild always finds a way under my skin testing my patience and my control The worst part I think he enjoys watching me unravel Then on our first day back a wild magic accident binds us together in ways neither of us understands Now his magic calls to mine a pull that s impossible to resist Every touch is a spark every glance a challenge and the more I fight him the more I realize I don t want to Loving him means risking everything my magic my future my heart But as whispers of war spread through the academy I begin to wonder what if Wild is the only one who can teach me how to fight back Faeheart is an electrifying enemies to lovers paranormal romance filled with sizzling tension dark magic and a love that defies all the rules Perfect for readers who crave sharp banter slow burn desire and the undeniable pull of fated souls
