Investigating Online Heritage Crime Damien Huffer, Evie Handby, 2025-12-01 From Reddit and YouTube to collector forums and live auctions the avenues through which cultural heritage can be bought and sold are rapidly growing alongside new digital technologies Considering anew the implications of this digital expansion for the online trafficking of cultural property and human remains *Investigating Online Heritage Crime* conducts an exacting examination of these relatively under researched sites of heritage crime The chapters address how networks operate within and because of the interconnected social media and e commerce landscape Through doing so this volume highlights where markets for online heritage are headed especially given the ever prevalent adoption of AI and LLM Large Language Models technology that is profoundly reshaping all aspects of online life including licit and illicit commerce

Y'all Fired Mandy M. Gunasekara, 2024-10-01 From a State Department arranged German sex hotel to costly unsubstantiated investigations brought on by anonymous sources *Y'all Fired* shows readers the unfortunate reality of a young woman's fight to institute America First reforms and what the permanent government of DC will do to resist it Buckle up because this gets personal *Y'all Fired* A Southern Belle's Guide to Restoring Federalism and Draining the Swamp provides an insider account of an outsider's service in the Trump Administration It brings to life first hand experiences of deep state bullying and the frustrating reality of having few tools to effectively push back Having grown up in small town Mississippi where people treat people with courtesy and believe in America's constitutional tradition life within the modern Deep State was a wakeup call for Mandy Gunasekara Where some political appointees cut and run and others find ways to simply blend in by going native this small town girl is determined to fix it *Y'all Fired* cuts through the politics and provides a substantive assessment of how we got here by explaining the enduring institutional challenges to reform including passage of the Sixteenth Amendment that forever changed the relationship between the federal government and the states and the broken promises of FDR's New Deal This blend of personal anecdotes alongside policy solutions is not about revenge for the unfortunate souls that never learned their manners it's a reckoning for the American people to finally institute overdue reforms

Iris Norman Crane, 2014-05-11 *Iris* is an epic science fiction book about love It's not written by a best selling author and it hasn't topped any charts But the reason for that is simple this webpage doesn't exist yet If you can read this do not hit F5 Listen to me The next decade is going to be an exciting and hopeful time You'll witness the birth of the eighth billion human on Earth and live through the revelation of Kurt Schwaller's theory of everything It's important that you enjoy it because in 2025 everything will change I know I lived through it My friend Bakshi likes to say that we're locked into a single future *Iris* used to say that no one can take away the past I wish I knew what you looked like I wish I knew then what I know now But if Bakshi's right at least you'll be prepared You still have time Between now and March 27 2025 they'll try to tell you that a hundred different things are the most important They'll be wrong Live love and imagine And if you happen to meet *Iris* go ahead ask her about the theory She'll
