What I Should've Said Max Monroe, 2025-01-07 You don't find love Love finds you in New York Times bestselling author Max Monroe's tender and emotionally charged story When grumpy muscled up artist Bennett Bishop bothers to speak it's usually to say something you're not ready to hear When he first speaks to Norah Ellis a rambling runaway bride who hitchhikes a ride from him it's to tell her to get out of his truck and walk because she's a pain in the By appearance Norah Ellis is a fancy fashionista who's spent the last several years living the good life in the city expensive apartments highbrow events and a fiancé with wealth and good looks The only problem is that she didn't choose any of it for herself On the day of her July wedding Norah's world turns upside down thanks to a letter from a stranger She runs for the small town in Vermont she used to call home but what's waiting for her between her estranged sister the townspeople and bad boy Bennett Bishop himself is way more than she bargained for Enemies turn to lovers strangers become friends dark secrets bust open like cans of worms and most of all summer will never be the same Some books feel personal when you read them like you can tell the writer poured extra in That's this story I dreamed about it all night What an unforgettable journey

Kim Holden Bestselling Author of Bright Side Net Privacy Sacha Molitorisz, 2020-05-21 In our digital world we are confused by privacy what is public what is private We are also challenged by it the conditions of privacy so uncertain we become unsure about our rights to it We may choose to share personal information but often do so on the assumption that it won't be re-shared sold or passed on to other parties without our knowing In the eighteenth century philosopher Jeremy Bentham wrote about a new model for a prison called a Panopticon where inmates surrounded the jailers always under watch Have we built ourselves a digital Panopticon Are we the guards or the prisoners captive or free Can we be both When Kim Kardashian makes the minutiae of her life available online which is she With great rigour this important book draws on a Kantian philosophy of ethics and legal frameworks to examine where we are and to suggest steps conceptual and practical to ensure the future is not dystopian Privacy is one of the defining issues of our time this lively book explains why this is so and the ways in which we might protect it
