Disney Plus Morning Routine Update:

Struck Douglas Segal,2018-09-28 One of life's biggest clichés becomes a horrific reality when Douglas Segal's wife and young daughter are hit head on by a Los Angeles city bus. Miraculously his daughter was unharmed but his wife faced a series of life threatening injuries including the same one that famously left Christopher Reeve paralyzed. Following the accident Segal began sending regular email updates to their circle of friends and family a list that continued to grow as others heard of the event and were moved by the many emotional and spiritual issues it raised. Segal's compelling memoir is an intimate and honest chronicle built around these email updates and is a profound example of how people show up for one another in times of crisis. Alternatingly harrowing, humorous, heartbreaking and hopeful this is an uplifting tribute to love, determination and how the compassion of community holds the power to heal serving as an inspiring testament to the resilience of the human spirit when faced with pain and adversity.
