## **Romantasy S Macbook Latest:**

Son of Our Blood Kathi S. Barton, 2013-03-01 Mac McManus has everything going for him but he doesn't see it that way. All he sees are his limitations. Like his father Aaron, he is a vampire forced into the darkness and to sustain himself on blood. He hates himself for what he has become and would rather meet the sun than remain immortal as a vampire or drink from another. It's not anything he wants his family to know about. He strikes a bargain with his aunt, the Queen, to get what he wants: an end to his suffering. In the bargain, he must save a woman, his mate, from another vampire, Zachariah Roberts, a murdering fiend that has been plaguing Mac's dreams since he turned. But the woman he must save, the one the Queen is making him save, has turned out to be more than he bargained for. More than he ever wanted. Brandi Daniel. Andi, to her friends, has been on the run for years. Never staying in any one place long, she has managed to stay just one step ahead of her stepfather, a cruel man with a nasty temper. Andi has a talent of her own. She can move things with her mind, and her stepfather thinks he can sell her to a science lab for a quick buck. Andi is caught squatting on Bradley Wolf's land and is given an ultimatum: She can work off the debt or spend a few days in jail. She figures she'll make a quick buck and leave before her stepfather finds her. She has learned to rely only on herself and isn't bargaining for a gorgeous, overbearing vampire, Mac, stepping in and dictating her every move. A man who can and will fulfill her every fantasy and desire. Mac's dreams of Zachariah have gotten worse, and he knows that Andi is foretold to be one of his victims, but the danged woman won't stay put. The entire Kiss is banding together to keep Andi safe, and it pisses her off in the process. Will an entire Kiss of vampires and an entire pack of werewolves be enough to protect one stubborn human? Has Mac found a new purpose in life? Will either of them live long enough to find out?

Aaron Kathi S. Barton, 2025-09-10 One small town. One powerful pride. One detective whose secrets could change everything. Detective Aaron Dresden lives by two rules: protect his town and protect his family. As the eldest of the Dresden Pride, Aaron shoulders the responsibility of keeping their tiger-shifter legacy hidden while juggling his very human career as a cop. But when whispers spread about abused women vanishing into thin air, Aaron finds himself caught in the crosshairs of more than just criminals. Enter Mac, a sharp and determined investigator sent to uncover the truth. But she's not after Aaron; her sights are on his brother, who seems to be connected to the disappearances. Mac prides herself on exposing secrets, yet nothing prepares her for the Dresden family or for the undeniable chemistry that sparks every time she clashes with Aaron. As danger closes in and Mac digs deeper, Aaron must balance loyalty, love, and the primal instincts that threaten to tear down the careful walls he's built. Because when hearts and lives are on the line, the Dresden Pride will fight like tigers to protect their own. Aaron launches Kathi S. Barton's thrilling new Dresden Pride series where romance sizzles, family bonds run deep, and danger prowls just beyond the shadows.

Drew Kathi S. Barton, 2016-11-14 Ryder Mackenzie didn't remember much about what happened to her. All she knew was she hurt in more places than she could remember. Mac barely remembered going over the falls and hitting the rocks below to save the little girl. But now that she'd been to the other

side the ghosts wouldn't leave her alone Drew Mullins was a haunted man quite literally His mother tortured him as a child and seemed bound and determined to continue doing so seventeen years after her death Drew being a necromancer was having a hard time avoiding her because she didn't know she was dead Between Mac having the little girl's father haunting her and Drew dealing with his mother's ghost they both were a mess But in each other they found what had been missing in their lives love But when the thirst for revenge heats up can Steele and his group find a solution At least one where no one else ends up dead

**Cormac** Kathi S. Barton,2016-02-08 Cormac Harrison Mac to his family and friends has a good thing going He has a brand new home a successful business and is truly happy with the direction his life is heading Andi Collins can't seem to catch a break The last time she'd encountered her father she'd ended up in the hospital Now Stormy Harrison is giving her a break and helping her get back on her feet So when this big handsome man tells her that she's his mate she's scared to death Mate She'd heard the term before And what it meant She would belong to him Not just him but whoever he wanted to sell her to Andi reached for the door handle thinking that rolling from a moving car would be better than being passed around like a napkin at a banquet hall Don't do that He reached for her hand just as she touched the handle Please just listen to me and I'll explain I don't need you to explain I know what mate means My friends at school they told me what happens when you become a mate to men And what they didn't tell me my father and aunt explained the rest Mates use you and then when they've had enough they pass you around to all the other men they know I won't have it The car suddenly stopped Her seatbelt cut into her neck and she nearly hit her head on the dash it stopped so abruptly

**Edmond** Kathi S. Barton,2024-09-10 Mac Pendleton didn't know what had come over her When she woke up that morning strange things were going on with her and it scared her too much to think about it This weird assed vine had just appeared on her back and it moved Not only that but she now knew things that she couldn't possibly have known Edmond and his other single brothers were a bit put off by Lica's new mate Brandy She was shelling out cash to them so fast they felt like bought men Edmond had to take a bit of a break from the family or he might say something to Brandy that he'd regret Edmond pulled into the parking lot of this small hole in the wall diner to grab a bite to eat when these four men out of nowhere caused a ruckus nearly getting him arrested along with them in the process The cook Mac was their sister Mac saw it all coming She could now read everyone but Edmond He was a mysterious blank But the vine on her back was reaching for him actually pulling from her body to get to him

**Darcy** Kathi S. Barton,2016-11-28 Brooke Rickson had been working the pottery wheel and pulling clay with her great grandfather for almost as long as she could remember Her work was famous even though no one really knew who she was She preferred it that way and had become a recluse since her great grandfather died He had left her everything Mac Harrison loved rare pottery and when he landed two tickets to the big art show he was thrilled He could get his prized Rickson pottery piece appraised and get to see new work at the same time He brought his brother Darcy along for the ride When Darcy caught Brooke's scent he knew he'd found his mate Unfortunately the beautiful recluse made no bones

about telling him that she was alone and liked it that way and that no man was barging in and taking over her orderly life She was living her life just the way she wanted it and that didn't include taking orders from a man any man He could get that thought right out of his head      **Riordan** Kathi S. Barton,2015-10-19 Riordan Harrison can't believe it Everyone is pissed at him and he doesn't see what the fuss is all about All he did was tell the woman that she was his mate He couldn't help it that his tiger caused him to pin the woman to the counter and she proceeded to throw him to the ground and cover him with sticky pastries Now no one will talk to him including his secretary He hasn't claimed the woman yet and it is all seeming like it's more trouble than it's worth Storm Browning Stormy to her friends is a wounded war hero She's done her duty and just wants to live a quiet life run her little bakery without any hitches The majority of the men she commanded in the war had been shifters so she wasn't surprised when the big oaf sniffed her out claiming that she was his mate But that doesn't mean she has to agree with it What else could she do He had to go He'd hightail it and run anyway when he saw her scars they all did She couldn't emotionally handle that not again at any rate But if Riordan is going to get back on everyone's good side he'll have to make peace with the woman Even though he thinks he's innocent he'll go for a visit and maybe apologize but after he gets there things go from bad to worse Stormy is targeted for assassination and he's in the line of fire      Hugh Kathi S. Barton,2017-07-24 At 23 Hugh McGuire had his life figured out He was on top of the world and nothing could stop him In the blink of an eye it all changed when a disgruntled employee Burton Dunn shot and killed Hugh's parents and attempted to take Hugh's life as well Hugh's life would never be the same and twelve years later Hugh was a depressed and somewhat bitter man that could now see and speak with the dead Kimber Dunn had been a sickly child and on her deathbed her nurse a leopard shifter took pity on her and converted Kimber to save her life Now Kimber couldn't run far enough to outrun her brother's murderous deed Spending most of her days as a leopard kept her hidden well But when fate threw her in front of the one man she'd been hiding from all these years Hugh McGuire her cat knew him for who he was her mate the only thing she knew to do was run run as fast and as far as she could      Desire Awakened Kathi S. Barton,2013-06-13 If you go out there you'll have to see to the woman first The boy will make it if you help him later but the woman won't The sounds of cars screeching when she opened the door startled her She looked back at Sam and she nodded Lizzy took off in the direction of the gathering crowd and wondered what had happened Not a good way to start her afternoon Lizzy MacManus rushes to the scene of a horrific accident Using her own blood and a strong dose of magic she saves two people but it costs her Now all she can think about is how exhausted she is as well as hungry Trying her best to avoid all contact with the very handsome very human male Lizzy finds herself trapped in an elevator with him and before it begins to move again they're mated She certainly didn't intend to bite the man but now that she has there is no turning back Not her favorite way to end a day either as far as she's concerned Logan doesn't need any issues right now He's trying his best to make a better life for himself his sister and his son But meeting the beautiful woman at the hospital impersonating his ex-wife changes everything Despite his

best efforts he's drawn not only to the mysterious woman who's bitten him but to her intimidating family as well. Megan wants the same building Logan has placed a bid on. As part of the deal, Logan is planning to expand his business and help renovate the nearly bankrupt city. Megan could care less why Logan has placed the bid. She wants the building for herself and will do anything to keep him from taking it from her, especially when she discovers he's Lizzy's mate. Anything including hiring a rogue pack of werewolves to hunt him and his family down and kill them. Destroying Lizzy's mate would settle a vendetta the two women had had against each other since they were children. Lizzy and Logan don't want to fall in love. They most assuredly don't want to stay together, but love and an unquenchable need for each other give them more than enough to take on anything and anyone. Together they are stronger than her father, Aaron, will ever be. But will they be strong enough to survive Megan's plans to destroy Logan and enact revenge on Lizzy? Find out in the thirteenth installment of *Aaron's Kiss*.

Liam Kathi S. Barton, 2017-05-15 Emma Hudson wanted to get this over with. Her father had left her in a jam, and the sooner she dropped off his duplicate trucker log books to the Harrisons, the sooner she could get back to work and try to clear her name. Trucking was all she knew, and she was tired of it. Liam Harrison watched the pretty little thing climb into her truck to get the books, but when she slipped and fell back into his arms with a life-threatening cut on her arm, he knew two things: she was his mate, and she would die if he didn't convert her right now. And when a string of rest-stop murders brings an old vampire friend back into the family's fold, he informs them Emma was next. It was time to park the truck. They all knew that Emma's father would come sniffing around to try to swindle her out of more money. It was just a matter of time. But how far would he go to get what he wanted? *McCullough's Jamboree* Kathi S. Barton, 2023-01-26 McCullough's Jamboree Boxed Set Colin Lauren wants no part of this mate business. Relationships get messy, and this jerk is bossy as hell. And Lauren doesn't take orders; she gives them. But it will take all of them, his family and hers, to keep her and Hawkins alive. Parker Reese didn't know who all these people were, but if she and Josh didn't get away from them, the others would find them, and they'd all be dead, just like all the other people who had tried to help them along the way. And now the gorgeous shifter Parker had her trapped in the kitchen, claiming to be her mate. She didn't have time for herself, and she didn't want to see them all die because they'd helped her, and Josh Reese was out of options. Dustin Mackenzie was at her wits' end. Random attacks to her person and bullets flying had the entire McCullough family in an uproar. And just when they thought they had everything about under control, Hawkins drops a bombshell that had them all stunned. Larson Larson sees the beauty from across the room and makes his way to her. Before he even reaches her, he catches her scent. She is his mate. Now what is he supposed to do? He has his life just the way he wants it, and a mate wasn't figured into that equation. On the other hand, the way she flushes when she returns, his stare has him thinking anything but pure thoughts. Maybe having a mate wouldn't be so bad after all. Boyd The pileup on the freeway had Boyd working overtime. All the injured had been coming into the hospital in droves. He had treated so many patients that he was just exhausted. When he stepped out for a breather, he saw her. She was the sexiest

woman he'd ever seen and when he approached her her scent sent his senses into a whirl and his cat reacted The word mate flashed through his mind But that couldn't be right he had to be tired Hawkins Hawk never thought in a million years that he'd be happy to find his mate nor would he have believed that she'd be more powerful than he was Jamie was just more
