The Umpire Was Blind! Jonathan Weeks, 2020-05-21 In the words of former American League umpire Nestor Chylak umpires are expected to be perfect on the first day of the season and then get better every day Forced to deal with sullen managers and explosive players they often take the blame for the failures of both But let's face it umpires are only human For well over a century the fortunes of Major League teams and the fabric of baseball history itself have been dramatically affected by the flawed decisions of officials While the use of video replay in recent decades has reduced the number of bitter disputes many situations remain exempt from review and are subject to swirling controversy In the heat of the moment mistakes are often made sometimes with monumental consequences This book details some of these more controversial calls and the men who made them **Congressional Record** United States. Congress, 1983 **Crack of the Bat** James Robert Walker, 2015-05 The crack of the bat on the radio is ingrained in the American mind as baseball takes center stage each summer Radio has brought the sounds of baseball into homes for almost one hundred years helping baseball emerge from the 1919 Black Sox scandal into the glorious World Series of the 1920s The medium gave fans around the country aural access to the first All Star Game Lou Gehrig's farewell speech and Bobby Thomson's Shot Heard Round the World Red Barber Vin Scully Harry Caray Ernie Harwell Bob Uecker and dozens of other beloved announcers helped cement the love affair between radio and the national pastime Crack of the Bat takes readers from the 1920s to the present examining the role of baseball in the development of the radio industry and the complex coevolution of their relationship James R Walker provides a balanced nuanced and carefully documented look at radio and baseball over the past century focusing on the interaction between team owners local and national media and government and business interests with extensive coverage of the television and Internet ages when baseball on the radio had to make critical adjustments to stay viable Despite cable television's ubiquity live video streaming and social media radio remains an important medium through which fans engage with their teams The evolving relationship between baseball and radio intersects with topics as varied as the twenty year battle among owners to control radio the development of sports as a valuable media product and the impact of competing technologies on the broadcast medium Amid these changes the familiar sounds of the ball hitting the glove and the satisfying crack of the bat stay the same **A Baseball Book of Days** Phil Coffin, 2025-02-20 Almost anywhere on a calendar you can pinpoint the date of a memorable baseball moment Jackie Robinson's first game Eddie Gaedel's only game the sale of Babe Ruth to the Yankees and the clause that might have prevented it These and dozens more are recounted in this book chronicling hallmark days From the first no hitter in modern baseball maybe to the deep roots for the first night game in the major leagues this book provides a detailed narrative of the game's most important moments told in 31 singular remarkable days Covering the long path to integration the rise of Dominican players in the game and the infamous banning of the spitter this calendar of the diamond covers baseball from every angle and in every month of the year [The Cultural Encyclopedia of Baseball, 2d](#)

ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language. From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

The reach, 1917 **Current History**, 1930 **Publishers' circular and booksellers' record**, 1896 **Seaboard**, 1920
