Idea Dwayne Anderson,2017-03-26 Finding an angel investor to fund the next big idea has always been a daunting task The next difficult task is to gain marketing exposure Together these elements can make or break a startup Until recently these two were separate activities you first find investors raise money and then you would allocate your marketing spend The advent of crowdfunding has disrupted the way funding and marketing is done by combining these critical tasks and getting them done at the same time Crowdfunding Venture Capital on Steroids With crowdfunding you can set your terms retain your company s vision culture and bring several shareholders rather than just a handful and most importantly get promotional boost that comes with this Furthermore crowdfunding also allows you to offer shares and attract a lot more money Entrepreneurs usually raise hundreds of thousands and even millions This Book Is Your Blueprint on the HOW Crowdfunding has offer new avenues for startups and it is relatively easier to start a business than ever before But it is also attached with a steep learning curve Many ventures find themselves into deep waters without the real knowledge of choosing a platform crafting a pitch and attracting investors *Social Commerce* Efraim Turban,Judy Strauss,Linda Lai,2015-11-17 This is a multidisciplinary textbook on social commerce by leading authors of e commerce and e marketing textbooks with contributions by several industry experts It is effectively the first true textbook on this topic and can be used in one of the following ways Textbook for a standalone elective course at the undergraduate or graduate levels including MBA and executive MBA programs Supplementary text in marketing management or Information Systems disciplines Training courses in industry Support resources for researchers and practitioners in the fields of marketing management and information management The book examines the latest trends in e commerce including social businesses social networking social collaboration innovations and mobility Individual chapters cover tools and platforms for social commerce supporting theories and concepts marketing communications customer engagement and metrics social shopping social customer service and CRM contents the social enterprise innovative applications strategy and performance management and implementing social commerce systems Each chapter also includes a real world example as an opening case application cases and examples exhibits a chapter summary review questions and end of chapter exercises The book also includes a glossary and key terms as well as supplementary materials that include PowerPoint lecture notes an Instructor s Manual a test bank and five online tutorials *Memory Unbound* Lucy Bond,Stef Craps,Pieter Vermeulen,2016-11-01 Though still a relatively young field memory studies has undergone significant transformations since it first coalesced as an area of inquiry Increasingly scholars understand memory to be a fluid dynamic unbound phenomenon a process rather than a reified object Embodying just such an elastic approach this state of the field collection systematically explores the transcultural transgenerational transmedial and transdisciplinary dimensions of memory four key dynamics that have sometimes been studied in isolation but never in

such an integrated manner Memory Unbound places leading researchers in conversation with emerging voices in the field to recast our understanding of memory's distinctive variability
