Agile NBA Guide Victor Holman, 2017-07-15 The NBA is advancing at a lightning pace Data is available on a scale never before seen The popularity of basketball continues to rise and salary caps are at an all time high With change being a constant teams that surface to the top are the teams that are able to absorb the information coming in translate it to meaningful information make quick informed decisions and yield constant quantifiable improvements And with salaries skyrocketing through the roof more and more teams are finding themselves with big contracts and little returns to show for it Over the next few years the organizations that are able to architect rosters with players who can learn how to add quantifiable value and contribute to the team's overall goals will reap the greatest returns And the teams that do not adapt their data and player development models to reflect the speed of new information and change will find themselves on the bottom The main challenge that is keeping NBA teams from unlocking the full potential of their data is their inability to translate complex data sets into data that players the ones executing the work can easily understand and identify ways to add value Data is useless if it can't be easily analyzed and acted on by players The Agile NBA framework uncovers better ways of creating team synergy improving team dynamics and applying real time and historical analytics in order to reach team goals The rules of the Agile NBA Framework integrates the pillars roles events and artifacts guiding the relationships and interactions between them Agile NBA employs an iterative incremental approach to optimize performance and adapt quickly to change The concepts of Agile NBA are described throughout this guide Complete buy in to philosophy team strategy and game plan coupled with commitment to continuously gain a deeper understanding of how to measure team and player value through analytics are key fundamentals to this process In this guide Victor Holman provides a step by step approach for improving player IQ and measuring player value

Beckett Basketball Price Guide #25, 2017-10-20

NBA 2k21 Bin Zozo, 2020-12-30 Getting to the high levels of play you may have enjoyed in previous NBA 2K21 games isn't going to be easy this year As well as some pretty big changes to how shooting works the developers over at 2K have also loaded the game with other small tweaks and changes that alter the experience quite a lot from what you're used to Learning how to work your way back up to a decent level of play takes time and patience And because the game can sometimes be a little obscure in how it approaches teaching you how to take advantage of its new tricks we've decided to outline it all here Here's what you need to know if you want to be a better NBA 2K21 player All you need to know about shooting in MyCareer including the best tips setups and badges to equip
