God Save the Dork Sidin Vadukut, 2016-08-15 Maestro management consultant and strategy guru Robin Einstein Varghese has been dispatched to London to the Lederman account. Things in the mother country are not all tally ho as Einstein must make do with convoluted remuneration, temperamental digestion and a bizarre conspiracy by museums all over the city to frustrate his every attempt to imbibe in high culture. Just when things look like they can't get any worse, Lederman threatens to shut down the project. Once again, Dufresne Partners turns to their most resourceful, inventive, original strategic out-of-the-box thinking employee.

7 Words You Should Know Ward Anthony Dean, 2014-09-26 Seven Words You Should Know. Dad's Advice for the Journey Ahead was written to help teens, young adults and adolescents grasp profound life principles in an easy-to-remember, uncomplicated way. It was also designed to give parents a starting point from which to share lifelong lessons and experiences with their own children as well as build a lasting legacy. The author's hope is that the book will be a catalyst for parents and children to come together to create an exchange of wisdom from one generation to another.

FranklinCovey Style Guide Stephen R. Covey, 2012-06-07 FranklinCovey Style Guide For Business and Technical Communication can help any writer produce documents that achieve outstanding results. Created by FranklinCovey, the world-renowned leader in helping organizations enhance individual effectiveness, this edition fully reflects today's online media and global business challenges. The only style guide used in FranklinCovey's own renowned Writing Advantage™ and Technical Writing Advantage™ programs, it covers everything from document design and graphics to sentence style and word choice. This edition's many improvements include extensive new coverage of graphics writing for online media and international business English. Through dozens of examples and model documents, writers learn how to overcome writer's block and efficiently create documents from start to finish. FranklinCovey's experts show how to get powerful results from every email, add distinctiveness and power to any online presence, write far more effective proposals, letters, memos, reports and resumes, and improve all forms of documentation from business procedures to highly technical content. You'll learn how to quickly discover and prioritize the information you need, whether you're planning a presentation, leading a meeting or managing a project. The authors reveal how to design visuals that communicate messages instantly and intuitively and use charts, color, illustrations, maps, photos and tables to supercharge any presentation. Packed with up-to-the-minute examples, this A-Z guidebook can help you write more effectively, no matter who you are, whether you're a business or sales professional who must motivate and persuade, a technical professional who must explain challenging content more clearly and accurately, or a student who needs stronger writing skills to succeed in school and in your career.
