

## Class Valedictorian Speech Sample

### Introduction:

After all those days of wondering, wondering if we would make it to the end, FINALLY, HERE WE ARE AT THIS VERY MOMENT THAT marks the summit of our journey. Graduating class of 2014-2015, PLEASE join me in welcoming our guests. To our guest of honour, Ms. Mellizza Soriano, to our Chief Executive Mentor, Dr. Genevieve Ledesma-Tan, to our school President, Dr. Marl V. Ferenal, to our Principal for Basic Education, Ms. Marie-Vic Suarez, the management team, school officials, honored guests, dedicated teachers, beloved parents and fellow graduates, a pleasant morning to all OF YOU!

### General Gratitude:

On behalf of every student here, I would like to express my sincerest gratitude to all the teachers and mentors we've had in life. You are the candles that light the way. Thank you for using your precious time and wisdom for us. You HAVE taught us and still are teaching us to achieve excellence. You help us on our way to success. I believe that we're a much better person NOW than we would have been had we not met all of you. I would also like to thank all the parents for your endless support and patience for all of us. You have lovingly cared for us all these years and set the foundation for our future. There are not enough words to express how thankful all of us are.

### Change:

March 27, 2015. A MARK IN OUR HISTORIES THAT COMMEMORATES the hard work... of not just the graduates, but also the teachers and parents. It is a very special day that won't be forgotten even if we leave Southville. Today, we acknowledge and give recognition to the people we've met, the lessons we've learned, the tears, the laughter, and the memories we've shared in our years as grade school students. For everything we take with us, there is something that we leave behind. This school year was filled with fond memories. It gave us good and also bad experiences. It taught us many things. Most of us, if not all, are brimming with joy that we're finally done with it, that it's all over now. But it isn't. With every door shut, opens another. Now, this isn't necessarily a bad thing.
