The handwriting is in dark ink and appears to be a cursive or shorthand style, typical of a composer's working draft. The staves are filled with notes, rests, and other musical symbols, creating a complex, textured pattern.

Vaughan Williams Studies Alain Frogley, 1996-12-12 A collection of essays on Vaughan Williams explores his musical language cultural context and biography The Cambridge Companion to Vaughan Williams Alain Frogley, Aidan J. Thomson, 2013 *An Imperishable Heritage: British Choral Music from Parry to Dyson* Stephen Town, 2016-04-15 The rehabilitation of British music began with Hubert Parry and Charles Villiers Stanford Ralph Vaughan Williams assisted in its emancipation from continental models while Gerald Finzi Edmund Rubbra and George Dyson flourished in its independence Stephen Town's survey of Choral Music of the English Musical Renaissance is rooted in close examination of selected works from these composers Town collates the substantial secondary literature on these composers and brings to bear his own study of the autograph manuscripts The latter form an unparalleled record of compositional process and shed new light on the compositions as they have come down to us in their published and recorded form This close study of the sources allows Town to identify for the first time instances of similarity and imitation continuities and connections between the works
