The Neoliberal Agenda and the Student Debt Crisis in U.S. Higher Education Nicholas Hartlep, Lucille Eckrich, Brandon Hensley, 2017-05-18 Capturing the voices of Americans living with student debt in the United States this collection critiques the neoliberal interest driven debt based system of U.S. higher education and offers alternatives to neoliberal capitalism and the corporatized university Grounded in an understanding of the historical and political economic context this book offers auto ethnographic experiences of living in debt and analyzes alternatives to the current system Chapter authors address real questions such as Do collegians overestimate the economic value of going to college and How does the monetary system that student loans are part of operate Pinpointing how developments in the political economy are accountable for students university experiences this book provides an authoritative contribution to research in the fields of educational foundations and higher education policy and finance

Buyer Aware Marta L. Tellado, 2022-09-20 In an era of corporate overreach when consumers have never been

more vulnerable to digital surveillance unsafe food and dangerously faulty products the president and CEO of Consumer Reports gives us a playbook to put the power back in our hands You've been getting ripped off The rules that have protected consumers for decades are failing Companies are spying on us Many of the products we once trusted are dangerous and failing at alarming rates Whether we are buying a crib a small appliance an iPhone app or shopping for car insurance it's become harder than ever to know whether the choices we make in the marketplace are putting us at risk either from physical harm or the abuse of our personal data by hackers or corporations This is intolerable It's wrong And we don't have to put up with it anymore Marta L Tellado the president and CEO of Consumer Reports has been an advocate for consumers for decades In Buyer Aware Tellado shows you the steps you can take to protect yourself from predatory business practices and how to exert your inherent power as a consumer to spur politicians and businesses to clean up their act Only then can we ensure that we have an economy that is fair safe and transparent for all and puts consumers first
