bestselling author Dan Ariely teams up with financial comedian and writer Jeff Kreisler to delve into the truly irrational world of personal finance blending humor and behavioral economics to help people understand the psychology behind their financial decisions and show them how they can make better ones He entertains critical questions such as these Why is paying for things painful Why are we comfortable overpaying for something in the present just because we ve overpaid for it in the past Why is it easy to pay 4 for a soda on vacation when we wouldn t spend more than 1 on that same soda at our local grocery store We think of money as numbers values and amounts but when it comes down to it when we actually use our money we engage our hearts more than our heads Emotions play a powerful role in shaping our financial behavior often making us our own worst enemies as we try to save access value and spend responsibly In *Dollars and Sense* bestselling author and behavioral economist Dan Ariely teams up with financial comedian and writer Jeff Kreisler to challenge many of our most basic assumptions about the precarious relationship between our brains and our money In doing so they undermine many of personal finance s most sacred beliefs and explain how we can override some of our own instincts to make better financial choices Exploring a wide range of everyday topics from the lure of pain free spending with credit cards to the pitfalls of household budgeting to the seduction of holiday sales Ariely and Kreisler demonstrate how our misplaced confidence in our spending habits frequently leads us astray costing us more than we realize whether it s the real value of the time we spend driving forty five minutes to save 10 or our inability to properly assess what the things we buy are actually worth The result not only reveals the rationale behind our most head scratching financial choices but also offers clear guidance for navigating the treacherous financial landscape of the brain Fascinating engaging funny and essential *Dollars and Sense* provides the practical tools we need to understand and improve our financial choices save and spend smarter and ultimately live better *Microeconomics* Austan Goolsbee,Steven Levitt,Chad Syverson,2015-12-03 Like no other text for the intermediate microeconomics course Goolsbee Levitt and Syverson s *Microeconomics* bridges the gap between today s theory and practice with a strong empirical dimension that lets students tests theory and successfully apply it With carefully crafted features and vivid examples Goolsbee Levitt and Syverson s text helps answer two critical questions students ask Do

people and firms really act as theory suggests and How can someone use microeconomics in a practical way The authors teach in economics departments and business schools and are active empirical microeconomics researchers Their grounding in different areas of empirical research allows them to present the evidence developed in the last 20 years that has tested and refined fundamental theories Their teaching and professional experiences are reflected in an outstanding presentation of theories and applications

The Island House Amanda Brittany,2021-08-11 Wow what a rollercoaster read I loved

everything about this story A gripping chilling and addictive thriller I found hard to put down NetGalley Reviewer **Can't Knock the Hustle** Matt Sullivan,2021-06-22 Brilliantly audacious written with the profundity of a sage baller and the acuity of a seasoned journalist Kiese Laymon New York Times bestselling author of Heavy An award winning journalist s behind the scenes account from the epicenter of sports social justice and coronavirus Can t Knock the Hustle is a lasting chronicle of the historic 2019 2020 NBA season by way of the notorious Brooklyn Nets and basketball s renaissance as a cultural force beyond the game The Nets were already the most intriguing startup in the NBA a team of influencers entrepreneurs and activists starring the controversial Kevin Durant and Kyrie Irving But this dynasty in the making got disrupted by the unforeseen One tweet launched an international scandal pitting the team s Chinese owner and the league s commissioner against its players and LeBron James The sudden death of Kobe Bryant after making his final public appearance in Brooklyn sent shockwaves through a turbulent season Then came the unimaginable A global pandemic and a new civil rights movement put basketball s trend setting status to the ultimate test as business and culture followed the lead of the NBA and its empowered stars No team intersected with the extremes of 2020 quite like the Brooklyn Nets and Matt Sullivan had a courtside view Can t Knock the Hustle crosses from on the court where underdogs confront A listers like Jay Z and James Harden to off the court as players march through the streets of Brooklyn provoke Donald Trump at the White House and boycott the NBA s bubble experiment in Disney World Hundreds of interviews with Hall of Famers All Stars executives coaches and power brokers across the world provide a backdrop of the NBA s impact on social media race politics health fashion fame and fandom for a portrait of a time when sports brought us back together again like never before
