Marketing Principles with Student Resource Access 12 Months William M. Pride, O. C. Ferrell, Brian Lukas, Sharon Schembri, Outi Niinen, Riza Casidy, 2017-09 This is the printed textbook *Marketing Principles*. *Marketing Principles* combines a thorough and engaging overview of essential marketing principles. The text provides you with the knowledge and decision making skills you will need to succeed in today's competitive business environment. *Marketing Principles* includes the most current coverage of marketing strategies and concepts with extensive real world examples including social networking and digital marketing. You will find important topics drawn from the rapidly changing world of modern business including social and environmental responsibility, sustainability, globalisation, entrepreneurship and marketing through transitional times. New PRINT versions of this book come with bonus online study tools including animated activities and videos on the CourseMate Express platform. **Strategic Management** Jeffrey H. Dyer, Paul C. Godfrey, Robert J. Jensen, David J. Bryce, 2020-01-29 *Strategic Management* delivers an insightful, clear, concise introduction to strategy management concepts and links these concepts to the skills and knowledge students need to be successful in the professional world. Written in a conversational Harvard Business Review style, this product sparks ideas, fuels creative thinking and discussion while engaging students via contemporary examples, innovative whiteboard animations for each chapter, outstanding author produced cases, unique Strategy Tool Applications with accompanying animations and Career Readiness applications through author videos. **IT Consultant Diploma - City of London College of Economics - 12 months - 100% online / self-paced** City of London College of Economics, Overview This course deals with everything you need to know to become a successful IT Consultant. Content: Business Process Management, Human Resource Management, IT Manager's Handbook, Principles of Marketing, The Leadership Information Systems and Information Technology, IT Project Management. Duration: 12 months. Assessment: The assessment will take place on the basis of one assignment at the end of the course. Tell us when you feel ready to take the exam and we will send you the assignment questions. Study material: The study material will be provided in separate files by email download link. **Trust, Digital Business and Technology** Joanna Paliszkievicz, José Luis Guerrero Cusumano, Jerzy Gołuchowski, 2022-09-30 *Trust, Digital Business and Technology: Issues and Challenges* presents and discusses the main issues and challenges related to digital trust and information technologies. The subject of trust is relevant to both practitioners and researchers. It is widely recognized and confirmed that trust, especially mutual trust, when it is built at the right level, reduces the risk of interaction and increases the collaboration between partners. Readers will gain from this book theoretical and practical knowledge on digital trust, theoretically well-grounded knowledge on digital trust and related concepts, empirically validated by practice. Most authors have taken innovative approaches to consider issues, highlighting a selected aspect of the core theme of this book. The intended audiences of this book are professionals, scholars and students. **Think Like Zuck: The Five Business Secrets of Facebook's Improbably Brilliant CEO Mark**
