**The Real Paleo Diet Cookbook** Loren Cordain, 2015-03-03. This book is beautifully illustrated and the recipes are nothing short of delicious and fun to prepare. This is really the gourmet Paleo Diet. Jack Challem, bestselling author of *The Inflammation Syndrome*. It's official: the real Paleo Diet is back. Loved for its simplicity, health benefits and because it really works, the diet has been widely imitated since its release. Yet no one knows this plan better than Loren Cordain, its creator. As an expert in evolutionary medicine, Cordain realized we had moved away from the foods we were designed to eat: lean proteins, fruits and vegetables, while modern staples such as sugar, salt and carbohydrates were creating a host of 21st century health issues including obesity and heart disease. By eating the right food, people are healthier. But can eating Paleo be tasty? In this all-new cookbook with 250 recipes and 75 photos, Cordain makes eating Paleo a pleasure, not a burden. Ranging from Cucumber Aqua Fresca to Fruit-Stuffed Top Loin Roast with Brandy Sauce, the recipes satisfy even the most finicky. This is the book the Paleo community has been waiting for: scientific accuracy combined with great taste. The cookbook for the Paleo gourmet. These recipes are delicious, healthy and visually stunning, with innovative flavor combinations and use of spices. More importantly, this book presents clearly and concisely which foods belong on the Paleo diet and which do not, along with why. Even experienced Paleo chefs will find that these recipes expand and enliven the Paleo palate. Lynda Frassetto, MD. [The Berkeley Bowl Cookbook](#) Laura McLively, 2018-04-17. **Lemongrass and Sweet Basil** Khamtane Signavong, 2005-01-01. Creating the tastes of Thailand is an irresistible challenge for cooks who love the pungent combinations and subtle balance of ingredients. True to Thai traditions Lemongrass and Sweet Basil features recipes based on Royal Thai Cuisine but the author has moved from the highly decorative and intricately carved presentation to a more easy to follow modern approach. The key to successful Thai cooking is using the best and freshest produce that you can find so the book starts by detailing the main ingredients that are essential to the Thai cook. This is followed by clear instructions on the cooking methods and techniques that are used to achieve the unique Thai flavors. Based on the traditional recipes of each Thai region every cook has his or her own version of a dish including the addition of a secret ingredient or two. Kham shares with us over 50 of his recipes from Isan and Central Southern and Northern Thailand. Also included is a chapter of Thai tapas Khap Klaem with mouthwatering dishes such as Fresh Oysters with Spicy Thai Sauce and Drunken Noodles. The stunning photographs accompanying the recipes give a strong sense of the Thai way of life. The beautiful location photography shows the seamless integration of food

and the Thai Buddhist religion and the vibrant and informative food photographs reflect the Thai's liking for strong color and the importance of garnishes. Thai people have a passion for the best ingredients, a passion for eating, a passion for the experience of sharing good food. Be inspired by this and create a delicious meal for your family and friends.
