Buy Now Emily West, 2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon's consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand's focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand's image control strategies West considers why pushback against Amazon's ubiquity and market power has come mainly from among Amazon's workers rather than its customers or competitors arguing that Amazon's brand logic fragments consumers as a political bloc West's innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today's economy

"The Land Beyond Time" Adventure in the Amazon Alexander Molnar Jr., 2000-05-19 The Land Beyond Time is a non stop fast paced action packed adventure that takes place in the jungles of the Amazon River It is a story about traitors sabotage espionage greed hate love and romance cold blooded murder and justice It is the story about the trials and tribulations of a dozen human beings whose sabotaged aircraft crashes into the Amazon jungle The crash survivors 6 men and 6 women including 2 drug cartel bosses being extradited to the US now must compete against their individual fears each other and those unknown unexplained challenges facing them in the hot wet dangerous jungle The terrifying but strange animals that abound there like the giant spiders boars anacondas and crocodiles two hostile tribes and the headhunters a Colombian drug cartel group of professional killers coming to rescue their bosses and a small but elite team of US Marines conducting search and rescue operations for the crash survivors all are tossed together in the jungles of the Amazon Our adventure begins during December 1999 in Lima Peru when a US military aircraft C141 preparing to take a number of government passengers back to the US is commandeered by an Embassy official He orders the aircraft to take on 10 additional passengers including two recently captured Colombian drug lords being extradited to the US Hours into the flight the plane is sabotaged by someone onboard and it crashes into the Amazon River dumping the survivors into the hostile terrain north of Manaus Brazil Two of the 12 crash survivors are immediately separated from the main group and have adventures of their own to contend just to remain alive The remaining survivors are captured by one of two hostile tribes the Ingou and Sangou The survivors are taken to the Ingou village and interrogated while second tribe

prepares to attack the Ingou village to pre empt an escaped prisoners arrival there who possesses information which could change the delicate balance of power in the jungle Back in Peru an Embassy official is fingered as an espionage agent for the major drug cartel The official gets nervous and runs to his new bosses in Colombia Meanwhile the cartel sends 24 professional killers to retrieve their two drug bosses from the sabotaged aircraft Their additional instructions are to eliminate all the remaining passengers When the aircraft fails to show up at Manaus as planned the cartels killers immediately begin a search pattern and within hours of finding the crashed aircraft their journey begins Back in Lima the Non Commissioned Officer in Charge NCOIC of the Marine Security Guard MSG Detachment a friend of Al Ranlom a former Marine who is aboard the missing aircraft hears of the espionage and the plane crash Not one to stand by and watch the NCOIC forms an unofficial search and rescue team which picks up the trail of the missing craft and her survivors The dangers to all involved the survivors the cartels professional killers and the Marine Security Detachment rescuers are found in every turn they take They are all around them in the trees at ground level on under and above the waterways swamps and mangroves These hazards eat away at their self confidence and tears at their moral fabric They are tested continuously passing one test only to encounter another challenge If it isnt attacks by giant spiders anacondas and crocodiles its tigers flesh eating worms and blood sucking bats Or its problems from hostile tribes or from the natural environment like earthquakes and lava flows or from the failure of their sophisticated equipment like the GPS systems radios and walkie talkie *Amazon Hacks* Paul Bausch,2003 With this collection of tips and tools users can get the most out of Amazon com whether they are avid Amazon shoppers Amazon associates developing online storefronts or programmers building apps based on Amazon Web Services
